

# PROTECTIVE COVERS - SCOPECOAT FOR TRIJICON RMR

[Optics & Mounting](#) > [Optic Accessories](#) > [Protective Scope Covers](#)

Nylon-faced, stretchy neoprene rubber cushions any rifle or pistol scope from everyday bumps, scratches, dings, moisture, and dust. Snaps on and off quickly without using rubber bands, clips, or strings. Scopecoat™ stretches approximately 10% and the "perfect fit" is a matter of personal preference -- ranging between a relaxed fit to a more form-fitted one.

## Attributes

# Safety Instruction Guide for SCOPECOAT Protective Covers for Trijicon RMR

## Introduction

Thank you for choosing the SCOPECOAT Protective Covers for your Trijicon RMR. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before use.

## General Safety Guidelines

- Ensure that the SCOPECOAT Protective Cover is used only for its intended purpose, specifically as a protective cover for rifle or pistol scopes.
- Regularly inspect the cover for any signs of wear or damage. If any defects are found, discontinue use immediately.
- Keep the product away from children and vulnerable individuals to prevent accidental ingestion or misuse.
- Do not use the cover in extreme temperatures or conditions that exceed the manufacturer's specifications.
- Report any unsafe product incidents or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- When removing or installing the cover, ensure that the scope is securely mounted to avoid damage.
- Avoid using sharp objects or excessive force when handling the cover to prevent tearing or puncturing.
- Do not expose the cover to harsh chemicals or solvents that may degrade the material.
- Ensure that the cover fits snugly but does not overly compress the scope, which could lead to damage.
- Store the cover in a cool, dry place when not in use to maintain its integrity.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the scope is clean and free of debris before installing the cover.
- Remove any existing protective covers or accessories from the scope.

### 2. Installation

- Hold the SCOPECOAT Protective Cover with the nylon side facing outwards.
- Align the cover with the scope and gently stretch it over the scope.
- Ensure that the cover fits securely around the scope without excessive tension.
- Check that the cover is properly seated and that there are no gaps.

### 3. Usage

- The cover can be easily removed by gently pulling it off the scope.
- To clean the cover, use a damp cloth with mild soap and water. Allow it to air dry completely before reinstallation.
- Regularly check the fit of the cover, especially after prolonged use or exposure to varying conditions.

## **Disposal Instructions**

- Dispose of the SCOPECOAT Protective Cover in accordance with local regulations regarding plastic and rubber waste.
- Do not incinerate the cover, as it may release harmful substances.
- If the cover is damaged beyond repair, consider recycling options where available.

## **Contact Information for Further Support**

For any inquiries or support regarding the SCOPECOAT Protective Covers, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for choosing SCOPECOAT. We hope you enjoy the protection and convenience our product offers for your Trijicon RMR.
