

PROTECTIVE COVERS - SCOPECOAT FOR EOTECH 552 OR 553 W/3X MAGNIFIER COMBO

[Optics & Mounting](#) > [Optic Accessories](#) > [Protective Scope Covers](#)

Nylon-faced, stretchy neoprene rubber cushions any rifle or pistol scope from everyday bumps, scratches, dings, moisture, and dust. Snaps on and off quickly without using rubber bands, clips, or strings. Scopecoat™ stretches approximately 10% and the "perfect fit" is a matter of personal preference -- ranging between a relaxed fit to a more form-fitted one.

SCOPECOAT PROTECTIVE COVERS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SCOPECOAT Protective Covers designed for EOTech 552 or 553 with 3X Magnifier Combo. This product is designed to provide protection for your rifle or pistol scope against everyday bumps, scratches, moisture, and dust. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Always ensure that the SCOPECOAT is used as intended. The product is designed to cushion and protect your scope, but it is not a substitute for proper handling and care of your equipment.
- **Enhanced Recalls:** In the unlikely event of a recall, follow instructions provided to return the product for a remedy.
- **Online Shopping:** When purchasing online, ensure you are buying from a reputable seller who adheres to safety standards.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach to prevent any potential hazards.
- **EU Contact Point:** For safety inquiries, refer to the product packaging or the retailer for contact information.
- **Rapid Alerts:** Stay informed about product safety updates by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Extreme Conditions:** Do not expose the SCOPECOAT to extreme heat or direct sunlight for prolonged periods, as this may damage the material.
- **Check for Wear:** Regularly inspect the SCOPECOAT for signs of wear or damage. Replace it if it no longer fits securely or shows signs of deterioration.
- **Secure Fit:** Ensure that the SCOPECOAT fits snugly on your scope to prevent it from slipping off during use.
- **Moisture Control:** While the SCOPECOAT is designed to protect against moisture, it is recommended to dry the scope thoroughly before covering it to prevent mold or mildew.

Instructions for Installation and Usage

1. Preparation:

- Ensure the scope is clean and dry before applying the SCOPECOAT.
- Check that the scope is free from any attachments that may interfere with the fit of the cover.

2. Installation:

- Hold the SCOPECOAT by its edges.
- Stretch the cover gently over the scope, ensuring that it fits securely over the lens and any other parts of the scope.
- Adjust the fit as necessary to ensure that it is snug but not overly tight.

3. Usage:

- The SCOPECOAT can be easily removed and reapplied as needed.
- To remove, gently pull the cover off the scope without using excessive force.

- Store the SCOPECOAT in a cool, dry place when not in use to maintain its elasticity and durability.

Disposal Instructions

- Dispose of the SCOPECOAT in accordance with local regulations regarding the disposal of rubber and synthetic materials.
- Do not incinerate the product, as it may release harmful substances when burned.
- If the product is damaged beyond use, consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the SCOPECOAT Protective Covers, please refer to the retailer where you purchased the product for assistance. Ensure you have your purchase details ready for a smoother inquiry process.

Thank you for your attention to these safety instructions. Proper use and care of the SCOPECOAT will help ensure that your equipment remains protected and functional for years to come.
