

# STANDARD SCOPECOAT PROTECTIVE COVERS - STANDARD SCOPECOAT SMALL - 8.5"X20MM BLACK

[Optics & Mounting](#) > [Optic Accessories](#) > [Protective Scope Covers](#)

## Cushion Your Scope From Dings, Bumps & Expensive Damage

Nylon-faced, stretchy neoprene rubber cushions any rifle or pistol scope from everyday bumps, scratches, dings, moisture, and dust. Snaps on and off quickly without using rubber bands, clips, or strings. Scopecoat™ stretches approximately 10% and the "perfect fit" is a matter of personal preference -- ranging between a relaxed fit to a more form-fitted one.

# Safety Instruction Guide for STANDARD SCOPECOAT PROTECTIVE COVERS

## Introduction

Thank you for choosing the STANDARD SCOPECOAT PROTECTIVE COVERS. This product is designed to protect your rifle or pistol scope from everyday bumps, scratches, moisture, and dust. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the cover for any signs of wear or damage.
- Keep the product out of reach of children to prevent accidental use or suffocation.
- Report any unsafe product incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Avoid Excessive Force:** Do not pull or stretch the cover excessively, as this may damage the material.
- **Check Fit:** Ensure the cover fits securely on your scope to avoid it slipping off during use.
- **Moisture Exposure:** While the cover protects against moisture, it is recommended to dry the cover if it becomes wet to prevent mold or mildew.
- **Temperature Considerations:** Avoid exposing the cover to extreme temperatures, as this may affect its elasticity and fit.

## Instructions for Installation and Usage

### 1. Preparing the Scope:

- Ensure that the scope is clean and dry before applying the cover.
- Remove any existing protective covers or accessories.

### 2. Installing the Cover:

- Hold the cover by the edges and gently stretch it open.
- Align the cover with the scope, ensuring that the lens and turrets are accessible.
- Carefully slide the cover over the scope, ensuring a snug fit without excessive stretching.

### 3. Adjusting the Fit:

- Once the cover is in place, check that it fits securely.
- Adjust the cover as necessary to ensure it is not too loose or too tight.

### 4. Removing the Cover:

- To remove, simply grasp the edges of the cover and pull gently away from the scope.
- Store the cover in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the cover is damaged or no longer needed, consider recycling it if possible.
- Do not dispose of the cover in fire, as it may release harmful fumes.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact point or your retailer for assistance.

Thank you for your attention to these safety instructions. Enjoy using your STANDARD SCOPECOAT PROTECTIVE COVERS!
