

STANDARD SCOPECOAT PROTECTIVE COVERS - STANDARD SCOPECOAT LARGE - 12.5"X50MM BLACK

[Optics & Mounting](#) > [Optic Accessories](#) > [Protective Scope Covers](#)

Cushion Your Scope From Dings, Bumps & Expensive Damage

Nylon-faced, stretchy neoprene rubber cushions any rifle or pistol scope from everyday bumps, scratches, dings, moisture, and dust. Snaps on and off quickly without using rubber bands, clips, or strings. Scopecoat™ stretches approximately 10% and the "perfect fit" is a matter of personal preference -- ranging between a relaxed fit to a more form-fitted one.

Safety Instructions for STANDARD SCOPECOAT PROTECTIVE COVERS

Introduction

Thank you for choosing the STANDARD SCOPECOAT PROTECTIVE COVERS. This product is designed to protect your rifle or pistol scope from everyday bumps, scratches, dings, moisture, and dust. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a protective cover for scopes.
- Regularly inspect the cover for any signs of wear or damage before use.
- Keep the cover out of reach of children to prevent accidental suffocation or choking.
- In case of any malfunction or defect, discontinue use immediately and report it to the manufacturer.

Specific Safety Precautions for Use

- Avoid exposing the cover to extreme temperatures or direct sunlight for prolonged periods, as this may affect its elasticity and durability.
- Do not use the cover if it shows signs of significant wear, such as tears or excessive stretching.
- Ensure that the cover fits properly on your scope to prevent it from slipping off during use.
- If you experience any allergic reactions to the materials, discontinue use and consult a medical professional.

Instructions for Installation and Usage

1. Fitting the Cover:

- Gently stretch the cover to fit over the scope.
- Ensure that the cover snaps securely into place without any gaps.

2. Removing the Cover:

- To remove, gently pull on the edge of the cover to release it from the scope.
- Avoid using sharp objects to pry the cover off, as this may damage both the cover and the scope.

3. Cleaning the Cover:

- Clean the cover with a damp cloth and mild soap if necessary.
- Do not machine wash or tumble dry the cover, as this may distort its shape.

4. Storing the Cover:

- Store the cover in a cool, dry place when not in use.
- Avoid folding or compressing the cover excessively to maintain its shape.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the cover in household waste if it is damaged or worn out; instead, check for recycling options or hazardous waste disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact details provided with your purchase.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
