

XP-6 FLAK JACKET PROTECTIVE COVERS - XP-6 SCOPECOAT LARGE - 12.5"X42MM BLACK

[Optics & Mounting](#) > [Optic Accessories](#) > [Protective Scope Covers](#)

Protect your valuable scope with the Scopecoat. The Scopecoat Cover stretches over your scope shielding the entire scope from dust, dirt, moisture, dings, and scratches. The Scopecoat is constructed of high quality Neoprene laminated with nylon. The Neoprene has a 5 percent moisture absorbency, which takes moisture away from the scope. The XP-6 is available for tall turret scopes such as Law Enforcement, Benchrest and Varmint scopes. Unique to the XP-6 is the 6mm thickness (3 times the normal Scopecoat thickness) for extra protection. Scopes have a way of bumping into other guns in the safe and the Scopecoat protects the scope and your other guns.

XP6 FLAK JACKET PROTECTIVE COVERS USER MANUAL

Introduction

Thank you for choosing the XP6 Flak Jacket Protective Covers. This product is designed to protect your valuable scope from dust, dirt, moisture, dings, and scratches. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of the XP6 Flak Jacket by following these guidelines:
 - Always inspect the product before use to check for any damage.
 - Keep the product out of reach of children to prevent accidents.
 - Avoid exposing the cover to extreme temperatures or direct sunlight for prolonged periods.
 - Do not use the cover if it shows signs of wear or damage.
 - Follow all installation and usage instructions provided in this manual.

Specific Safety Precautions for Use

- When using the XP6 Flak Jacket, please observe the following precautions:
 - Ensure that the cover is properly fitted over the scope to prevent it from slipping off.
 - Do not use the cover while shooting or during any activity that may cause impact to the scope.
 - Avoid using the cover in wet conditions without ensuring it is completely dry before storing.
 - Regularly check the cover for any signs of wear or deterioration.
 - If you notice any issues, discontinue use immediately and contact the manufacturer for guidance.

Instructions for Installation and Usage

1. Installation:

- Remove the XP6 Flak Jacket from its packaging.
- Carefully stretch the cover over the scope, ensuring it fits snugly without being overly tight.
- Make sure the cover is positioned to shield the entire scope, including the lenses and turrets.

2. Usage:

- Use the cover when the scope is not in use to protect it from dust and scratches.
- When transporting your firearm with the scope attached, ensure the cover is securely in place.
- For cleaning, wipe the exterior of the cover with a damp cloth. Do not use harsh chemicals or solvents.

Disposal Instructions

- When the XP6 Flak Jacket is no longer needed or has reached the end of its life:
 - Dispose of the product in accordance with local waste disposal regulations.
 - Consider recycling the materials if possible, as the cover is made of Neoprene and nylon.

Contact Information for Further Support

- For any safety inquiries or concerns regarding the XP6 Flak Jacket, please contact the manufacturer directly. Ensure you have the product details on hand for reference.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure the safe and effective use of your XP6 Flak Jacket Protective Covers.
