

XP-6 FLAK JACKET PROTECTIVE COVERS - XP-6 SCOPECOAT X-LARGE - 15.5"X60MM BLACK

[Optics & Mounting](#) > [Optic Accessories](#) > [Protective Scope Covers](#)

Protect your valuable scope with the Scopecoat. The Scopecoat Cover stretches over your scope shielding the entire scope from dust, dirt, moisture, dings, and scratches. The Scopecoat is constructed of high quality Neoprene laminated with nylon. The Neoprene has a 5 percent moisture absorbency, which takes moisture away from the scope. The XP-6 is available for tall turret scopes such as Law Enforcement, Benchrest and Varmint scopes. Unique to the XP-6 is the 6mm thickness (3 times the normal Scopecoat thickness) for extra protection. Scopes have a way of bumping into other guns in the safe and the Scopecoat protects the scope and your other guns.

XP6 FLAK JACKET PROTECTIVE COVERS USER MANUAL

Introduction

Thank you for choosing the XP6 Flak Jacket Protective Covers. This product is designed to protect your valuable scope from dust, dirt, moisture, dings, and scratches. The Scopecoat is made from highquality Neoprene laminated with nylon, ensuring durability and effective moisture management. This manual provides important safety guidelines, usage instructions, and disposal information to ensure your safety and the longevity of your product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this manual.
- Be aware of the potential hazards associated with improper use, including damage to your scope and potential injury.
- Regularly check for product recalls or safety alerts on the EU's Safety Gate platform.
- If you notice any damage or malfunction, discontinue use immediately and report it to the appropriate authorities.
- Keep the product out of reach of children to prevent any accidental use or injury.

Specific Safety Precautions for Use

- Always inspect the Scopecoat for any signs of wear or damage before each use.
- Ensure that the Scopecoat is properly fitted over the scope to avoid any slippage or detachment during use.
- Do not expose the Scopecoat to extreme temperatures or harsh chemicals, as this may degrade the material.
- Avoid using the Scopecoat while shooting or during highimpact activities to ensure maximum protection.
- If the Scopecoat becomes wet, allow it to dry completely before storing it to prevent mold or mildew.

Instructions for Installation and Usage

1. Installation:

- Begin by cleaning your scope to remove any dust or debris.
- Carefully stretch the Scopecoat over the scope, ensuring that it covers the entire surface.
- Adjust the fit as necessary to ensure a snug and secure fit without any excessive tension on the material.

2. Usage:

- Use the Scopecoat during storage to protect your scope from environmental factors.
- For outdoor use, ensure that the Scopecoat remains securely in place to prevent exposure to dust and moisture.
- If you need to remove the Scopecoat for any reason, do so gently to avoid damaging the material.

Disposal Instructions

- Dispose of the Scopecoat responsibly by following local waste disposal regulations.
- If the Scopecoat is damaged beyond repair, consider recycling it if possible, as some materials may be recyclable.
- Do not dispose of the product in a manner that could harm the environment or wildlife.

Contact Information for Further Support

For safety inquiries or additional information about the XP6 Flak Jacket Protective Covers, please refer to the manufacturer's website or contact their customer support.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure the safe and effective use of your XP6 Flak Jacket Protective Covers, helping to extend the life of your valuable scope.
