

# FAL HANDGUARD - D.S. ARMS FAL METRIC FULL LENGTH HANDGUARDS

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

New manufacture FAL SA58 Belgian Type Handguard. Constructed from fiberglass reinforced polymer, with the proper metal hardware already installed. These military style handguards will not warp or flex under excessive heat. Improved design also has reinforcements in the front, center and rear for extra rigidity. Stamped steel front insert molded in the polymer ensures a tight fit on the gas block. Side cutouts allow for folding bipod. Holes on the underside of the handguard allow for installation of Harris or Versa-Pod bipods. Handguard will need material removed on the interior if mounting to DSA medium contour barrel profiles. Includes handguard screw and washer. Made in the USA.

## Attributes

- Name: [D.S. ARMS FAL METRIC FULL LENGTH HANDGUARDS](#)
- Manufacturer: [D.S. ARMS](#)
- Product no.: 274000031
- Mfr. No.:
- Color: Black
- Make: FN
- Material: Fiberglass,Polymer
- Model: FAL
- Style: 2-Piece
- Delivery weight: 0.318kg

## Item details

Made in USA

US export classification: 0A501.y.1

# FAL HANDGUARD D.S. ARMS FAL METRIC FULL LENGTH HANDGUARDS Safety Instructions

## Introduction

Thank you for choosing the FAL HANDGUARD D.S. ARMS FAL METRIC FULL LENGTH HANDGUARDS. This product is designed to provide a robust and reliable handguard solution for your FAL rifles, ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use and maintain the product safely.

## General Safety Guidelines

To ensure safe use of the FAL HANDGUARD, please observe the following guidelines:

- Always handle firearms with care and follow all safety procedures.
- Ensure that the handguard is compatible with your specific FAL rifle model.
- Inspect the handguard for any visible damage before installation or use.
- Keep the handguard and all related components out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearms and firearm accessories.

## Specific Safety Precautions for Use

When using the FAL HANDGUARD, please take the following precautions:

- Ensure that the firearm is unloaded before installing or adjusting the handguard.
- Use only the provided screws and washers for installation; do not substitute with other hardware.
- Avoid exposing the handguard to excessive heat sources, as this may compromise its structural integrity.
- Do not attempt to modify or alter the handguard in any way, as this may lead to unsafe conditions.
- If you notice any signs of wear or damage during use, discontinue use immediately and inspect the handguard.

## Instructions for Installation and Usage

To install and use the FAL HANDGUARD safely, follow these steps:

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including a screwdriver.

### 2. Installation:

- Remove any existing handguard from the firearm, if applicable.
- Align the FAL HANDGUARD with the gas block and ensure a proper fit.
- Insert the provided screws through the handguard and into the mounting points on the firearm.
- Tighten the screws securely, but do not overtighten, as this may damage the handguard.

### 3. Usage:

- When using the firearm, ensure that your hands are clear of the gas block area.
- Use the side cutouts for folding bipods as needed, ensuring they are securely attached.
- Regularly check the tightness of the screws and the condition of the handguard during use.

## **Disposal Instructions**

When disposing of the FAL HANDGUARD, please follow these guidelines:

- Do not dispose of the handguard in regular household waste.
- Check local regulations for proper disposal methods for polymer and fiberglass materials.
- If the handguard is damaged beyond use, consider recycling options if available.

## **Contact Information for Further Support**

For further assistance regarding the FAL HANDGUARD, please refer to the manufacturer's contact information or visit their official website for product support and safety inquiries.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the FAL HANDGUARD D.S. ARMS FAL METRIC FULL LENGTH HANDGUARDS. Always prioritize safety and compliance with local laws when handling firearms and accessories. Thank you for your attention to these important safety guidelines.
