FN-FAL SA-58 SCOPE MOUNT - D.S. ARMS SA-58 SCOPE MOUNT

No Gunsmithing, Sturdy Base For Optical Sights

It takes only a few minutes to replace the dust cover with this solid aluminum mount. Clamps to frame with internal steel rails; provides a rock solid base for mounting even the largest scopes. Picatinny-style rail provides optimum mounting flexibility for scopes or electronic sights. Fits inch- and metric-pattern receivers.

FNFAL SA58 Scope Mount Safety Instructions

Introduction

Thank you for choosing the FNFAL SA58 Scope Mount by D.S. ARMS. This document provides important safety information, installation instructions, and guidelines for proper use of the product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- Always ensure the scope mount is compatible with your rifle model before installation.
- Inspect the scope mount for any damage or defects before use. Do not use if damaged.
- Ensure that all screws and clamps are securely tightened before mounting any optics.
- Do not exceed the weight limit of the scope mount to prevent failure.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the scope mount is installed on a stable and secure surface.
- Use proper tools for installation to avoid stripping screws or damaging components.
- Avoid placing excessive force on the mount during installation or adjustment.
- Only use compatible accessories (e.g., rings, scopes) that meet the specifications of the mount.
- Regularly check the mount for tightness and stability, especially after heavy use or transport.

Instructions for Installation and Usage

1. **Preparation**

   - Gather the necessary tools: a screwdriver and any other tools specified in the product manual.
   - Ensure the work area is clean and free from obstructions.

2. **Installation**

   - Remove the existing dust cover from your rifle.
   - Align the FNFAL SA58 Scope Mount with the receiver of the rifle.
   - Secure the mount to the frame using the internal steel rails and provided screws.
   - Tighten the screws firmly but avoid overtightening, which may cause damage.

3. **Mounting the Scope**

   - Attach the scope rings to the Picatinnystyle rail on the scope mount.
   - Ensure that the scope is level and properly aligned with the rifle.
   - Tighten the scope rings securely, following the manufacturer's specifications.

4. **Final Checks**

   - Doublecheck all connections and ensure everything is securely fastened.
   - Conduct a function check to ensure smooth operation of the scope and mount.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Recycle materials where possible, such as aluminum components.

- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the FNFAL SA58 Scope Mount, please refer to the manufacturer's website or contact their support team. Ensure you have the product details ready for efficient assistance.

Thank you for prioritizing safety and compliance while using the FNFAL SA58 Scope Mount. Your attention to these guidelines will help ensure a safe and enjoyable experience.
