HONE & STONE EZELAP DIAMOND FINE DIAMOND HONE & STONE Safety Instructions

Introduction

Thank you for choosing the HONE & STONE EZELAP DIAMOND FINE DIAMOND HONE & STONE. This product is designed to provide highquality sharpening and honing for a variety of tools. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the product in accordance with the intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use to ensure it is in good condition.
- Store the product in a safe and dry place when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use protective eyewear to guard against flying debris when honing.
- Ensure that the surface on which you are working is stable and secure.
- Avoid applying excessive pressure when using the hone to prevent damage to the tool or injury.
- Do not use the hone on materials that are not suitable for diamond sharpening.
- Always keep your hands away from the cutting edges while honing.

Instructions for Installation and Usage

1. Preparation

- Ensure that the work area is clean and free from obstructions.
- Select the appropriate grit for your honing needs:
 - Fine (600 grit) for finishing touches.
 - Medium (400 grit) for general sharpening.
 - Coarse (250 grit) for heavy material removal.

2. Using the Hone

- Hold the hone firmly by the plastic handle.
- Position the tool you wish to sharpen at the correct angle against the hone.
- Move the tool back and forth across the diamond surface, applying light pressure.
- Repeat the process until the desired sharpness is achieved.

3. PostUse Care

- Clean the hone after use to remove any debris or residue.
- Store the hone in its designated place to protect it from damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not throw the product in regular household waste. Check for recycling options.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's website or contact customer support directly.

Thank you for your attention to these safety instructions. Enjoy your sharpening experience with the HONE & STONE EZELAP DIAMOND FINE DIAMOND HONE & STONE!
