

PARA FIBER OPTIC FRONT SIGHT - EGW PARA SIGHT, HEIGHT .175"

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Interchangeable, red or green fiber optic insert glows bright; draws your eye to the sight for faster pickup and improved shooting performance. Open center improves light transmission for a brighter, easier to see, dot. Works well with ghost ring, express, or square notch rear sights. Three heights accommodate most installation requirements. Para-Ord replace factory height blades. Fits factory dovetails.

Safety Instruction Guide for PARA FIBER OPTIC FRONT SIGHT EGW PARA SIGHT, HEIGHT .175"

Introduction

Thank you for choosing the PARA Fiber Optic Front Sight by EGW. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is compatible with your firearm model.
- Always follow your firearm's manufacturer instructions for safe handling and operation.
- Inspect the sight for any damage before installation. Do not use if damaged.
- Keep the sight out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the sight only for its intended purpose: enhancing aiming accuracy.
- Do not modify the sight in any way; alterations can compromise safety and performance.
- Avoid exposing the sight to extreme temperatures or harsh chemicals.
- Ensure that the sight is securely installed before using your firearm.
- Always wear appropriate eye protection when using firearms equipped with this sight.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools (screwdriver, etc.) for installation.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the existing front sight from your firearm, following the manufacturer's instructions.
- Align the PARA Fiber Optic Front Sight with the factory dovetail.
- Securely fasten the sight in place using the appropriate screws.
- Confirm that the sight is stable and does not move when pressure is applied.

3. Usage:

- When aiming, focus on the fiber optic insert, which will glow brightly in various lighting conditions.
- Adjust your shooting stance and grip to optimize visibility of the sight.
- Practice regularly to improve your shooting performance and familiarity with the sight.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged or nonfunctional, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the PARA Fiber Optic Front Sight, please refer to the manufacturer's website or customer support resources. It is important to have access to reliable support for any safety inquiries or productrelated issues.

Thank you for your attention to these safety instructions. Your safety and the effective use of your product are our top priorities. Always prioritize safe practices when handling firearms.
