# Safety Instruction Guide for the 1911 Hood Length Gauge

## Introduction

Thank you for choosing the 1911 Hood Length Gauge from EGW. This tool is designed to help you precisely measure the hood length of your firearms, ensuring accurate fitting and enhancing your overall experience. To ensure safe and effective use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always use the 1911 Hood Length Gauge in accordance with the manufacturer's instructions.
- Ensure that the gauge is free from any dirt or debris before use to maintain accuracy.
- Keep the gauge out of reach of children and unauthorized users.
- Inspect the gauge for any damage before each use. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the gauge only for its intended purpose of measuring hood lengths.
- Avoid applying excessive force when using the gauge to prevent injury or damage to the tool.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the gauge.
- Ensure that you are in a welllit and stable environment when taking measurements.
- Do not use the gauge in wet or humid conditions to prevent rusting and damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and safe to handle before using the gauge.
- Clean the slide area where the gauge will be inserted to ensure accurate measurements.

### 2. Using the Gauge:

- Insert the gauge into the slide of the firearm carefully.
- Align the gauge to measure the hood length accurately.
- Read the measurement indicated on the gauge. It can indicate hood lengths of 1.313", 1.315", 1.318", and 1.321".
- If adjustments are needed, follow the recommended cutting guidelines based on the measurement obtained.

### 3. PostUse:

- Remove the gauge from the slide after use.
- Clean the gauge with a soft cloth to remove any residue or moisture.
- Store the gauge in a safe, dry place to prevent damage.

## Disposal Instructions

- Dispose of the 1911 Hood Length Gauge in accordance with local regulations for metal products.
- Do not dispose of the gauge in household waste.
- If the gauge is damaged beyond repair, contact your local waste management authority for proper disposal.

disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the 1911 Hood Length Gauge, please refer to the manufacturer's contact information provided with your product packaging. It is important to have access to assistance regarding safety and usage.

By following these safety instructions, you can ensure a safe and effective experience with your 1911 Hood Length Gauge. Thank you for your attention to these guidelines, and enjoy your product!
