ANGLED BORED BUSHING WITH CARRY BEVEL EGW CARRY BEVEL BUSHING, GOVT Safety Instruction Guide

Introduction

Thank you for choosing the ANGLED BORED BUSHING WITH CARRY BEVEL EGW CARRY BEVEL BUSHING, GOVT. This product is designed to enhance the performance of your firearm by providing a snug fit between the barrel and bushing. It is important to follow the safety guidelines outlined in this document to ensure safe and effective use.

General Safety Guidelines

- Always handle firearms and firearm accessories with care and responsibility.
- Ensure that you are familiar with local laws and regulations regarding firearm modifications.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- This product is intended for use with 1911 Government model firearms only.
- Ensure that the firearm is unloaded before installing or removing the bushing.
- Use proper tools and follow the installation instructions closely to avoid injury and ensure correct fitting.
- Avoid using excessive force during installation to prevent damage to the firearm or the bushing.
- Regularly inspect the bushing for wear and replace it if any signs of damage are observed.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary tools: a bushing wrench and a clean workspace.

2. Installation

- Remove the existing bushing from the firearm using the bushing wrench.
- Clean the area where the bushing will be installed to remove any debris or residue.
- Align the ANGLED BORED BUSHING with the barrel and gently insert it into position.
- Ensure that the beveled flange is properly seated against the firearm frame.
- Test the fit by checking for smooth cycling of the action.

3. PostInstallation Check

- After installation, perform a function check to ensure the firearm operates correctly.
- Make sure the bushing does not bind with the barrel during cycling.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and firearm accessory disposal.
- Do not dispose of the product in regular household waste. Instead, consider recycling options where

available.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product recalls, please refer to the official EU Safety Gate platform or contact the relevant authorities in your area.

By following these safety instructions, you can ensure the safe use of the ANGLED BORED BUSHING WITH CARRY BEVEL EGW CARRY BEVEL BUSHING, GOVT. Always prioritize safety and responsible handling of your firearm and its accessories.
