ANGLED BORED BUSHING WITH CARRY BEVEL EGW CARRY BEVEL BUSHING, COMMANDER

Safety Instruction Guide

Introduction

Thank you for choosing the ANGLED BORED BUSHING WITH CARRY BEVEL EGW CARRY BEVEL BUSHING, COMMANDER. This product is designed for use with 1911 Commander models and is crafted from highquality stainless steel to ensure durability and performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle firearms and related components with care and responsibility.
- Ensure that the bushing is compatible with your specific firearm model before installation.
- Inspect the bushing for any signs of damage or wear before each use.
- Store the bushing in a safe and secure location, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm parts and modifications.

Specific Safety Precautions for Use

- Do not attempt to modify the bushing or use it for purposes other than intended.
- Ensure that the firearm is unloaded before installing or removing the bushing.
- Avoid using excessive force when installing or removing the bushing to prevent damage.
- Regularly check the bushing for proper fit and function, especially after extended use.
- If you notice any unusual sounds or performance issues while using the firearm, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, such as a bushing wrench.

2. Installation Steps

- Remove the existing bushing from the firearm using the bushing wrench.
- Clean the barrel and bushing area to remove any debris or residue.
- Align the ANGLED BORED BUSHING with the barrel and gently insert it into place.
- Ensure that the bushing is seated securely and that there is no movement.
- Test the fit by cycling the action of the firearm to ensure smooth operation.

3. Usage

- Once installed, the bushing should provide a snug fit between the barrel and the bushing, preventing barrel bind.
- Regularly inspect the bushing during use to ensure it remains secure and functional.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations for metal recycling.
- Do not dispose of the bushing in regular household waste.
- If unsure about the proper disposal method, consult local waste management authorities.

Contact Information for Further Support

For any questions or concerns regarding the ANGLED BORED BUSHING WITH CARRY BEVEL EGW CARRY BEVEL BUSHING, COMMANDER, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for additional resources.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the ANGLED BORED BUSHING WITH CARRY BEVEL EGW CARRY BEVEL BUSHING, COMMANDER. Always prioritize safety and consult professionals when in doubt. Thank you for your commitment to responsible firearm ownership.
