Safety Instruction Guide for 1911 LockUp Gauge

Introduction

Thank you for purchasing the 1911 LockUp Gauge by EGW. This aluminum gauge is designed to keep barrel placement consistent during the milling and fitting procedure. Proper use of this tool will help ensure that your firearm operates safely and effectively. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Use the gauge only for its intended purpose to avoid injury or damage.
- Ensure that the work area is clean and free of distractions before using the gauge.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when operating tools.
- Keep the gauge out of reach of children and unauthorized users.
- Regularly inspect the gauge for any signs of wear or damage before use.
- If any part of the gauge is damaged, do not use it and contact the manufacturer for guidance.

Specific Safety Precautions for Use

- Ensure that the gauge is securely positioned before placing the dial indicator.
- Avoid applying excessive force when checking for proper lockup to prevent damage to the gauge or the firearm.
- Use caution when handling the gauge and the dial indicator to avoid pinching or cutting injuries.
- Do not modify the gauge in any way, as this may compromise its safety and effectiveness.
- Always follow local laws and regulations regarding the use and handling of firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and in a safe condition before beginning any work.
- Gather all necessary tools, including the 1911 LockUp Gauge and dial indicator.

2. Using the Gauge:

- Place the gauge on the barrel of the firearm to ensure proper alignment.
- Insert the dial indicator into the hole in the gauge.
- Adjust the dial indicator to ensure it is in contact with the barrel.
- Check for proper lockup by observing the readings on the dial indicator.
- Make any necessary adjustments to the barrel placement based on the readings.

3. PostUse:

- Remove the gauge and dial indicator from the firearm carefully.
- Clean the gauge after use to maintain its condition and accuracy.
- Store the gauge in a safe and dry location, away from children and unauthorized users.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the gauge is no longer usable, consider recycling materials where possible.

- Do not dispose of the gauge in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the 1911 LockUp Gauge, please refer to the manufacturer's contact information provided with the product.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority.
