

1911 ONE-PIECE GUIDE ROD - EGW G.I. STYLE GUIDE ROD, BL GOVT.

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

Simple, Robust Design For Smooth Function & Reliability

Simple, strong, one-piece guide rods provide smooth function and outstanding reliability on competition and carry guns. Machined from solid bar stock without through hole for extra strength and resistance to battering. Additional weight up front improves recoil control, and flat face helps recoil buffers fit securely. Short, G.I. Style has rounded front end that resists snagging the recoil spring. Available in Government and Commander sizes in stainless and blued carbon steel. Full Length stainless steel rod guards against recoil spring bind for improved feeding and extraction. True, one-piece design with takedown hole has no threads to loosen or wear. Fits Government models with 5" barrels.

Safety Instructions for 1911 ONEPIECE GUIDE ROD EGW G.I. STYLE GUIDE ROD

Introduction

Thank you for choosing the 1911 ONEPIECE GUIDE ROD EGW G.I. STYLE GUIDE ROD. This product is designed to enhance the performance and reliability of your firearm. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully before installation and use.

General Safety Guidelines

- Ensure that the guide rod is compatible with your firearm model, specifically Government models with 5" barrels.
- Always handle firearms with care and follow all standard safety protocols.
- Read and understand the user manual of your firearm before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the guide rod for wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid using the guide rod if it shows signs of damage or excessive wear.
- Ensure that the firearm is unloaded before attempting to install or replace the guide rod.
- Do not modify the guide rod in any way, as this may compromise its integrity and safety.
- When handling the guide rod, wear appropriate protective gear to prevent injury.
- Always follow the manufacturer's instructions for use and maintenance.

Instructions for Installation and Usage

1. Preparation

- Ensure that your firearm is completely unloaded.
- Gather necessary tools for installation, including a punch tool if needed.

2. Installation Steps

- Remove the recoil spring and guide rod from your firearm according to the firearm's user manual.
- Take the 1911 ONEPIECE GUIDE ROD and align it with the recoil spring.
- Insert the guide rod into the recoil spring, ensuring it is seated properly.
- Place the assembly back into the firearm, following the user manual's instructions for reassembly.

3. Usage

- After installation, perform a function check to ensure proper operation.
- Regularly clean and maintain the guide rod according to the manufacturer's guidelines to ensure optimal performance.

Disposal Instructions

- Dispose of the guide rod in accordance with local regulations for metal waste.
- Do not throw the guide rod in general waste; ensure that it is recycled or disposed of properly.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are our top priorities.
