

# 1911 EXTRA-LONG HAMMER STRUT - EGW X-LONG HAMMER STRUT, S/S

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammer Struts](#)

## Additional Length Helps Cure Misfires

Machined stainless steel and titanium struts keep the hammer under mainspring tension even at the hammer-down position. Improved radius prevents the strut from contacting the sear spring and prevents interference with most grip safeties.

## Attributes

- Name: [EGW X-LONG HAMMER STRUT, S/S](#)
- Manufacturer: [EGW](#)
- Product no.: 296000077
- Mfr. No.: 10170

# **Safety Instruction Guide for 1911 EXTRALONG HAMMER STRUT EGW XLONG HAMMER STRUT, S/S**

## **Introduction**

Thank you for choosing the 1911 ExtraLong Hammer Strut by EGW. This guide provides essential safety information and usage instructions to ensure the safe and effective operation of your product. Please read this guide carefully before installation and use.

## **General Safety Guidelines**

- Ensure the product is suitable for your specific 1911 model (Government, Commander, Officers).
- Always handle firearms and firearm components with care and in accordance with established safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the strut for signs of wear or damage.
- Do not use the product if it shows any signs of damage or wear.
- Report any unsafe products or accidents to the relevant authorities.
- Always follow local laws and regulations regarding firearms and firearm accessories.

## **Specific Safety Precautions for Use**

- Always ensure the firearm is unloaded before installing or adjusting the hammer strut.
- Avoid placing fingers on the trigger until you are ready to shoot.
- Ensure the hammer is in the down position when installing the strut.
- Do not modify the strut or any part of the firearm without consulting a qualified gunsmith.
- Be aware that improper installation may lead to malfunction or unsafe conditions.
- Familiarize yourself with the operation of your specific firearm model before installation.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Gather necessary tools for installation, including a punch and hammer.
- Ensure a clean and safe workspace.
- Verify that you have the correct strut for your model.

### **2. Installation Steps**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the grip panels to access the hammer assembly.
- Carefully remove the old hammer strut if applicable.
- Align the new EGW XLong Hammer Strut with the hammer and mainspring assembly.
- Gently tap the strut into place using a punch and hammer.
- Reinstall the grip panels securely.

### **3. PostInstallation Checks**

- Check that the strut is properly seated and does not interfere with the sear spring or grip safety.
- Perform a function check to ensure the firearm operates correctly.
- If any issues arise, consult a qualified gunsmith for assistance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For safety inquiries or additional support, please contact your local distributor or refer to the manufacturer's website for further assistance.

By following these guidelines and instructions, you can ensure the safe use of the 1911 ExtraLong Hammer Strut. Thank you for your attention to safety and for choosing our product.
