

# 1911 EXTRA-LONG HAMMER STRUT - EGW X-LONG HAMMER STRUT, TITANIUM

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammer Struts](#)

## Additional Length Helps Cure Misfires

Machined stainless steel and titanium struts keep the hammer under mainspring tension even at the hammer-down position. Improved radius prevents the strut from contacting the sear spring and prevents interference with most grip safeties.

## Attributes

- Name: [EGW X-LONG HAMMER STRUT, TITANIUM](#)
- Manufacturer: [EGW](#)
- Product no.: 296000078
- Mfr. No.: 10171
- Model: Commander,Government,Officers
- Weapon type: 1911
- Delivery weight: 0.005kg
- Shipping height: 3mm
- Shipping width: 70mm
- Shipping length: 95mm
- UPC: 841370100460

## Item details

Made in USA

US export classification: 0A501.x

# **Safety Instruction Guide for 1911 EXTRALONG HAMMER STRUT EGW XLONG HAMMER STRUT, TITANIUM**

## **Introduction**

Thank you for choosing the 1911 EXTRALONG HAMMER STRUT, manufactured by EGW. This product is designed to enhance the performance of your firearm while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## **General Safety Guidelines**

- Always handle firearms with care and in accordance with local laws and regulations.
- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the hammer strut for wear or damage before use.
- Follow all manufacturer instructions for the installation and use of this product.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Ensure that the hammer strut is compatible with your specific model of the 1911 (Government, Commander, Officers).
- Do not modify the hammer strut in any way, as this may affect its performance and safety.
- Be aware of the potential for the strut to come into contact with the sear spring; ensure proper installation to prevent this.
- Use only the recommended materials (stainless steel or titanium) for any replacements or modifications.
- If you experience any issues during installation or use, cease operation immediately and consult a qualified gunsmith.

## **Instructions for Installation and Usage**

### **Installation**

1. Ensure the firearm is unloaded and safe to handle.
2. Remove the existing hammer strut from the firearm if applicable.
3. Align the new EGW XLONG HAMMER STRUT with the hammer and mainspring.
4. Carefully insert the strut, ensuring that it does not contact the sear spring.
5. Secure the strut in place according to the manufacturer's specifications.
6. Conduct a final inspection to ensure proper installation before use.

### **Usage**

- Always ensure the firearm is in a safe condition when using the hammer strut.
- Regularly check the hammer strut during use to ensure it remains secure and functional.
- If the firearm is experiencing issues with the hammer or mainspring, consult a qualified gunsmith immediately.

## **Disposal Instructions**

- Dispose of the hammer strut in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.

- If unsure about disposal methods, contact local waste management authorities for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety or use of the 1911 EXTRALONG HAMMER STRUT, please refer to the manufacturer's contact information provided with the product packaging.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the 1911 EXTRALONG HAMMER STRUT. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these guidelines, and enjoy the enhanced performance of your firearm.
