

# 1911 ONE-PIECE GUIDE ROD - EGW G.I. STYLE GUIDE ROD, BL COMM.

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

## Simple, Robust Design For Smooth Function & Reliability

Simple, strong, one-piece guide rods provide smooth function and outstanding reliability on competition and carry guns. Machined from solid bar stock without through hole for extra strength and resistance to battering. Additional weight up front improves recoil control, and flat face helps recoil buffers fit securely. Short, G.I. Style has rounded front end that resists snagging the recoil spring. Available in Government and Commander sizes in stainless and blued carbon steel. Full Length stainless steel rod guards against recoil spring bind for improved feeding and extraction. True, one-piece design with takedown hole has no threads to loosen or wear. Fits Government models with 5" barrels.

# Safety Instruction Guide for the 1911 ONEPIECE GUIDE ROD EGW G.I. STYLE GUIDE ROD, BL COMM.

## Introduction

Thank you for choosing the 1911 ONEPIECE GUIDE ROD EGW G.I. STYLE GUIDE ROD. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the guide rod is compatible with your firearm model.
- Always handle firearms safely and responsibly. Follow all local laws and regulations regarding firearm usage.
- Keep the guide rod and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the guide rod for signs of wear, damage, or corrosion before use.
- If you notice any irregularities, discontinue use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Do not attempt to modify or alter the guide rod in any way, as this may compromise its integrity and safety.
- Always wear appropriate eye protection when handling firearms.
- Ensure the firearm is unloaded before installing or removing the guide rod.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Follow the manufacturer's instructions for the proper use and maintenance of your firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the slide from the frame according to the manufacturer's instructions.
- Remove the existing guide rod if applicable.
- Insert the new 1911 ONEPIECE GUIDE ROD into the recoil spring and align it with the slide.
- Reassemble the slide onto the frame, ensuring that all components are securely in place.

### 2. Usage:

- After installation, perform a function check to ensure that the firearm operates smoothly.
- Regularly clean and maintain the guide rod as part of your overall firearm maintenance routine.
- Monitor the performance of the guide rod during use, and be alert to any signs of malfunction.

## Disposal Instructions

- Dispose of the guide rod in accordance with local regulations regarding the disposal of metal products.
- Do not dispose of the guide rod in regular household waste.
- If the guide rod is damaged or no longer usable, consider recycling it at a facility that accepts metal scrap.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product. It is important to have a reliable point of contact for any safety concerns or questions regarding your guide rod.

By following these guidelines, you can help ensure a safe and reliable experience with your 1911 ONEPIECE GUIDE ROD. Thank you for your attention to these important safety instructions.
