

1911 ONE-PIECE GUIDE ROD - EGW FULL-LENGTH GUIDE ROD, SS GOVT.

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

Simple, Robust Design For Smooth Function & Reliability

Simple, strong, one-piece guide rods provide smooth function and outstanding reliability on competition and carry guns. Machined from solid bar stock without through hole for extra strength and resistance to battering. Additional weight up front improves recoil control, and flat face helps recoil buffers fit securely. Short, G.I. Style has rounded front end that resists snagging the recoil spring. Available in Government and Commander sizes in stainless and blued carbon steel. Full Length stainless steel rod guards against recoil spring bind for improved feeding and extraction. True, one-piece design with takedown hole has no threads to loosen or wear. Fits Government models with 5" barrels.

Safety Instruction Guide for 1911 ONEPIECE GUIDE ROD EGW FULLLENGTH GUIDE ROD, SS GOVT.

Introduction

Thank you for choosing the 1911 ONEPIECE GUIDE ROD EGW FULLLENGTH GUIDE ROD. This guide is designed to provide you with essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the guide rod is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols related to firearm usage.
- Keep the product out of reach of children and unauthorized users.
- Inspect the guide rod for any signs of damage or wear before each use.
- Do not attempt to modify or alter the guide rod in any way.
- Always use appropriate safety gear when handling firearms.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may lead to firearm malfunction, which can cause injury or damage.
- **Avoiding Hazards:**
 - Ensure the firearm is unloaded before installation.
 - Follow the manufacturer's instructions for installation carefully.
 - Do not use the guide rod if it appears damaged or defective.
 - Always ensure that the recoil spring is properly seated after installation.
- **AudienceSpecific Warnings:** This product is intended for use by individuals who are knowledgeable about firearms. It is not suitable for children or inexperienced users.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing guide rod by following the firearm's takedown procedure.
- Insert the 1911 ONEPIECE GUIDE ROD into the guide rod tunnel.
- Ensure that it is properly seated and that the recoil spring is aligned.
- Reassemble the firearm according to the manufacturer's instructions.

2. Usage:

- Regularly check the guide rod for signs of wear or damage.
- Ensure that the guide rod is securely in place before firing the firearm.
- Monitor the performance of your firearm after installation to ensure reliability.
- If you experience any issues, consult a qualified gunsmith.

Disposal Instructions

- Dispose of the guide rod in accordance with local regulations for metal waste.
- Do not dispose of the guide rod in regular household waste.

- Consider recycling options for stainless steel and carbon steel materials.

Contact Information for Further Support

For any inquiries or concerns regarding the 1911 ONEPIECE GUIDE ROD, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority.
