

# REMINGTON 740, 760/ITHACA 37 SCOPE BASES - EGW REM 740, 742, 760/ITHACA 37 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Remington 740, 742, 760 Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

## Attributes

- Name: [EGW REM 740, 742, 760/ITHACA 37 0 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000095

# **Safety Instruction Guide for REMINGTON 740, 760/ITHACA 37 Scope Bases**

## **Introduction**

Thank you for choosing the EGW Remington 740, 742, 760 Scope Bases. This guide provides important safety information and instructions for the proper use and installation of the product. Please read this guide carefully to ensure safe operation and to maximize the benefits of your new scope bases.

## **General Safety Guidelines**

- Always ensure the firearm is unloaded before installing or adjusting the scope bases.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Use the scope bases only with compatible firearms as specified in this guide.
- Keep the scope bases out of reach of children and unauthorized users.
- Regularly inspect the scope bases for any signs of wear or damage.
- If you notice any defects or issues, discontinue use and contact a qualified technician.

## **Specific Safety Precautions for Use**

- Ensure that the mounting surface of the firearm is clean and free of debris before installation.
- Do not exceed the recommended torque of 20 inch lbs when securing the scope bases.
- Use blue Loctite on screws to prevent loosening during use.
- Avoid using excessive force when adjusting the scope to prevent damage to the scope or bases.
- Be cautious of sharp edges during installation; use protective gloves if necessary.
- If you are inexperienced with firearm maintenance, seek assistance from a qualified professional.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a Torx® wrench and blue Loctite.

### **2. Installation Steps**

- Remove any existing scope mounts from the firearm.
- Clean the mounting area on the receiver to ensure a proper fit.
- Align the EGW scope base with the factory scope mount holes on the receiver.
- Insert the provided socket head Torx® screws into the predrilled holes.
- Apply blue Loctite to the threads of the screws.
- Tighten the screws to a torque of 20 inch lbs using the Torx® wrench.
- Ensure the scope base is securely attached and does not move.

### **3. Usage**

- Attach your Picatinny or Weaver scope rings to the installed scope base.
- Adjust the scope to the desired eye relief and secure it according to the scope manufacturer's instructions.
- Test the scope setup by aiming at a target and adjusting as necessary.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the scope bases are damaged beyond repair, please recycle the aluminum material where facilities exist.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please contact the manufacturer or your retailer for assistance. Always refer to the manufacturer's website or support channels for the most accurate and updated information.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of your EGW Remington 740, 742, 760 Scope Bases. Always prioritize safety when handling firearms and related accessories. Thank you for your attention to these important safety measures.
