

MOSSBERG POST '97 500, 590, 835, 930, 935 SCOPE BASES - EGW

MOSSBERG 500, 590, 835, 930, 935, POST-1997

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Shotgun Bases](#)

EGW Mossberg 500, 590, 835 Post-1997 Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to ± 0.002 ". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting. Now comes with #6 and #8 screws.

Safety Instructions for MOSSBERG POST '97 500, 590, 835, 930, 935 Scope Bases

Introduction

Thank you for choosing the EGW Mossberg 500, 590, 835 Post1997 Scope Bases. This guide provides important safety information, installation instructions, and general usage guidelines to ensure your product performs safely and effectively. Please read this manual carefully before use.

General Safety Guidelines

To ensure safe usage of the scope bases, please follow these general safety guidelines:

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the shotgun is unloaded before installing the scope bases.
- Keep the scope bases out of reach of children and unauthorized users.
- Regularly inspect the scope bases for signs of damage or wear.
- Always use the recommended tools and torque specifications during installation.
- Do not modify the scope bases or use them in any way not intended by the manufacturer.

Specific Safety Precautions for Use

When using the MOSSBERG Scope Bases, please observe the following precautions:

- Ensure that the scope is compatible with the Picatinny or Weaver rings you are using.
- Be cautious of sharp edges on the scope bases during installation.
- Use blue loctite as recommended to secure screws and prevent loosening.
- Avoid overtightening screws, as this may damage the scope bases or the shotgun.
- If you notice any unusual movement or looseness in the scope after installation, recheck the mounting and torque specifications.

Instructions for Installation and Usage

Follow these steps to install and use your scope bases safely:

1. Preparation:

- Gather all necessary tools: a socket head Torx® wrench and blue loctite.
- Ensure the shotgun is completely unloaded and pointed in a safe direction.

2. Installation:

- Locate the factory scope mount holes on the shotgun receiver.
- Align the scope bases with the mount holes.
- Insert the provided socket head Torx® screws into the holes.
- Use the Torx® wrench to tighten the screws to the recommended torque of 20 inch lbs.
- Apply a small drop of blue loctite to each screw to prevent loosening.

3. Using the Scope:

- Once installed, mount your scope onto the Picatinny rail.
- Adjust the eye relief and position as needed for comfort and accuracy.
- Secure the scope rings according to the manufacturer's instructions.

4. PostInstallation Check:

- After installation, check the scope for stability and alignment.
- Test the shotgun for proper function with the newly installed scope bases.

Disposal Instructions

When disposing of the scope bases, please follow these guidelines:

- Do not dispose of the product in household waste.
- Check local regulations for proper disposal methods of aluminum products.
- If the scope bases are damaged and no longer usable, consider recycling them at a designated facility.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the contact information provided with your product packaging.

By adhering to these safety instructions, you can ensure the safe and effective use of your MOSSBERG POST '97 500, 590, 835, 930, 935 Scope Bases. Thank you for your attention to safety and responsible firearm use.
