

TACTICAL SCOPE RINGS - EGW 30MM TACTICAL RINGS .990" HIGH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Machined As A Matched, Serial-Numbered Pair For Precise Alignment

Heavy duty Picatinny rings are precision machined from solid aluminum billet as matched pairs to aid in obtaining the best possible alignment. Each pair is clamped together and the center holes bored to 30mm to tolerances of +/- .0014", then engraved with matching serial number. In addition, the lower halves are marked to prevent separation from their matched ring caps. All edges are beveled or radiused, including both sides of the steel ring nut, to minimize potential for snagging on other gear. Surfaces are blasted to ensure an even, matte finish, then hard anodized with a durable black finish for added strength and wear resistance. Crossbolt and nut are machined from chrome-moly steel, heat treated for exceptional strength, and blued. Steel, Torx® screws, four per ring, have matching finish. Separately available, precision-machined polymer inserts allow use of these rings with 1" diameter scope tubes.

Attributes

- Name: [EGW 30MM TACTICAL RINGS .990" HIGH](#)
- Manufacturer: [EGW](#)
- Product no.: 296000109
- Mfr. No.: 61101
- Finish: Matte Black
- Height: .400"
- Scope Tube Diameter: 30mm
- Size: Medium
- Style: Tactical Rings
- Delivery weight: 0.113kg
- UPC: 841370107476

TACTICAL SCOPE RINGS EGW 30MM TACTICAL RINGS .990" HIGH Safety Instruction Guide

Introduction

Thank you for choosing the TACTICAL SCOPE RINGS EGW 30MM TACTICAL RINGS. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always ensure that the scope rings are compatible with your scope and mounting system.
- Inspect the product for any visible defects or damage before use.
- Keep the scope rings out of reach of children and vulnerable individuals.
- Do not modify or alter the scope rings in any way.
- Ensure that all components are securely tightened before use to prevent accidents.
- Be aware of your surroundings when using equipment mounted with these rings to avoid injuries.

Specific Safety Precautions for Use

- Ensure that the scope is properly aligned within the rings to avoid misalignment during use.
- Do not exceed the manufacturer's recommended torque specifications when tightening screws.
- Regularly check the tightness of the screws and bolts to ensure they remain secure during use.
- Avoid using the product in extreme environmental conditions that may compromise its integrity.
- If you notice any unusual wear or damage, cease use immediately and replace the product.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a Torx® screwdriver.
- Ensure that the mounting surface is clean and free of debris.

2. Installation

- Place the scope rings on the Picatinny rail of your firearm, ensuring they are properly aligned.
- Secure the lower halves of the rings to the rail using the provided Torx® screws. Do not overtighten.
- Position the scope within the rings, ensuring it is level and properly aligned.
- Once the scope is positioned, gently close the upper halves of the rings over the scope.
- Tighten the screws on the upper halves to secure the scope in place. Check for proper alignment as you tighten.

3. Usage

- After installation, check the scope's alignment and functionality before heading into the field.
- Regularly inspect the scope and rings during use, especially after rough handling or exposure to harsh conditions.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Consider recycling the aluminum and steel components where facilities are available.

Contact Information for Further Support

For any questions or concerns regarding the TACTICAL SCOPE RINGS EGW 30MM TACTICAL RINGS, please refer to the manufacturer's contact details provided with your purchase. It is essential to reach out for assistance if you encounter issues or require further information.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with your TACTICAL SCOPE RINGS.
