

# 1911 ONE-PIECE GUIDE ROD - EGW G.I. STYLE GUIDE ROD, SS GOVT.

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

## Simple, Robust Design For Smooth Function & Reliability

Simple, strong, one-piece guide rods provide smooth function and outstanding reliability on competition and carry guns. Machined from solid bar stock without through hole for extra strength and resistance to battering. Additional weight up front improves recoil control, and flat face helps recoil buffers fit securely. Short, G.I. Style has rounded front end that resists snagging the recoil spring. Available in Government and Commander sizes in stainless and blued carbon steel. Full Length stainless steel rod guards against recoil spring bind for improved feeding and extraction. True, one-piece design with takedown hole has no threads to loosen or wear. Fits Government models with 5" barrels.

# Safety Instruction Guide for 1911 ONEPIECE GUIDE ROD EGW G.I. STYLE GUIDE ROD, SS GOVT

## Introduction

Thank you for choosing the 1911 ONEPIECE GUIDE ROD EGW G.I. STYLE GUIDE ROD, SS GOVT. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that all safety precautions are followed when handling and using the guide rod.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the guide rod for signs of wear or damage before use.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to firearm malfunction.
- The guide rod may become damaged if subjected to excessive force or impact.

### • Avoiding Hazards:

- Always ensure that the firearm is unloaded before installation or maintenance.
- Use only compatible firearms with a 5" barrel for proper fit.
- Do not exceed the recommended weight capacity or use the guide rod inappropriately.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing guide rod from the firearm.
- Insert the 1911 ONEPIECE GUIDE ROD EGW G.I. STYLE GUIDE ROD into the guide rod housing.
- Ensure the rod is seated properly and securely.
- Replace the recoil spring and ensure it fits snugly against the guide rod.

### 2. Usage:

- Regularly check the guide rod for signs of wear, such as scratches or deformation.
- If any damage is detected, discontinue use and replace the guide rod immediately.
- Follow all manufacturer instructions for the firearm to ensure safe operation.

## Disposal Instructions

- Dispose of the guide rod responsibly.
- Do not dispose of in regular household waste.
- Check local regulations for proper disposal methods of metal components.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the 1911 ONEPIECE GUIDE ROD EGW G.I. STYLE GUIDE ROD, please refer to the manufacturer's official contact points for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your new guide rod. Thank you for prioritizing safety.
