

1911 ONE-PIECE GUIDE ROD - EGW G.I. STYLE GUIDE ROD, SS COMM.

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

Simple, Robust Design For Smooth Function & Reliability

Simple, strong, one-piece guide rods provide smooth function and outstanding reliability on competition and carry guns. Machined from solid bar stock without through hole for extra strength and resistance to battering. Additional weight up front improves recoil control, and flat face helps recoil buffers fit securely. Short, G.I. Style has rounded front end that resists snagging the recoil spring. Available in Government and Commander sizes in stainless and blued carbon steel. Full Length stainless steel rod guards against recoil spring bind for improved feeding and extraction. True, one-piece design with takedown hole has no threads to loosen or wear. Fits Government models with 5" barrels.

Safety Instruction Guide for the 1911 ONEPIECE GUIDE ROD EGW G.I. STYLE GUIDE ROD, SS COMM.

Introduction

Thank you for choosing the 1911 ONEPIECE GUIDE ROD EGW G.I. STYLE GUIDE ROD. This guide rod is designed to enhance the performance of your firearm, providing smooth function and reliability. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow the safety instructions outlined in this document.

General Safety Guidelines

- Ensure the guide rod is compatible with your firearm model before installation.
- Always handle firearms with care and follow standard safety protocols.
- Store the guide rod and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the guide rod for signs of wear or damage.
- If you notice any issues, discontinue use and seek professional assistance.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunction.
 - Failure to maintain the guide rod may result in decreased performance or safety issues.
- **Instructions for Avoiding Hazards:**
 - Always ensure the firearm is unloaded before installation or maintenance.
 - Follow the manufacturer's instructions for installation to avoid improper fit.
 - Use only the recommended cleaning and maintenance products for your guide rod.
- **AgeSpecific Warnings:**
 - This product is intended for use by individuals aged 18 years and older.
 - Keep out of reach of children and unauthorized users.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, if required.

2. Installation Steps:

- Remove the existing guide rod from your firearm, following the manufacturer's instructions.
- Inspect the new guide rod for any visible defects or damage.
- Insert the new guide rod into the recoil spring assembly, ensuring it is seated properly.
- Reassemble the firearm according to the manufacturer's guidelines.

3. Usage:

- After installation, test the firearm in a safe environment to ensure proper function.
- Regularly check the guide rod for any signs of wear or damage during routine maintenance.

Disposal Instructions

- Dispose of the guide rod in accordance with local regulations.
- Do not dispose of the guide rod in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Reporting Unsafe Products

If you encounter any unsafe products or experience accidents, please report them to the appropriate authorities. Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

By following these guidelines, you can ensure the safe use of your 1911 ONEPIECE GUIDE ROD EGW G.I. STYLE GUIDE ROD. Thank you for prioritizing safety.
