

# 1911 FIRING PIN - EGW FIRING PIN, .068"

[Handgun Parts](#) > [Action Parts](#) > [Firing Pin Parts](#) > [Firing Pins](#)

## Durable Stainless Steel; Available In Three Diameters For Precise Clearance

Tough, durable firing pins are precision machined from extra-hard stainless steel to fit in the slide with .001" clearance to help eliminate primer flow with hot loads. Helps prevent jams and misfires caused by the primer backing out. Available in three diameters; select the diameter that provides just enough clearance through the hole in the firing pin stop of your gun. .068 normally fits Colt and Caspian 9mm/.38 Super/.40/10mm. .075 fits Springfield Armory 9mm/.38 Super/10mm/current-production .45 ACP. .093 fits most .45 ACP, including older-production Springfield. Fit may vary; measure your gun to be sure you select the correct size pin.

## Attributes

- Name: [EGW FIRING PIN, .068"](#)
- Manufacturer: [EGW](#)
- Product no.: 296000115
- Mfr. No.: 10072
- Caliber: 38/357 Caliber (.357-.359), 9 mm (.355-.356), 40/10 mm (.400-.401), 45 Caliber (.451-.454)

# Safety Instruction Guide for 1911 FIRING PIN EGW FIRING PIN, .068"

## Introduction

Thank you for choosing the 1911 FIRING PIN EGW FIRING PIN. This guide provides essential safety instructions and usage information to ensure safe handling and operation of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the firing pin is compatible with your firearm model and caliber.
- Always handle the firing pin with care to avoid injury.
- Store the firing pin in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the firing pin for wear or damage before each use.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Use the correct diameter firing pin for your firearm:
  - .068" for Colt and Caspian 9mm/.38 Super/.40/10mm
  - .075" for Springfield Armory 9mm/.38 Super/10mm/current production .45 ACP
  - .093" for most .45 ACP, including older production Springfield
- Measure your firearm's firing pin stop hole to ensure proper fit.
- Avoid using the firing pin with excessive force, as this may lead to misfires or jams.
- Do not modify the firing pin in any way, as this may compromise safety and performance.
- If you experience any issues such as jams or misfires, stop using the firearm immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing firing pin according to the manufacturer's instructions.
- Select the appropriate diameter firing pin.
- Carefully install the new firing pin into the slide, ensuring it fits properly with .001" clearance.
- Reassemble the firearm following the manufacturer's guidelines.

### 2. Usage:

- Always follow safe firearm handling practices.
- Before firing, doublecheck that the firing pin is securely installed.
- Maintain proper shooting stance and grip while using the firearm.
- After use, clean and inspect the firing pin and firearm to ensure continued safety.

## Disposal Instructions

- Dispose of the firing pin in accordance with local regulations for metal waste.
- Do not throw the firing pin in regular trash; instead, consider recycling options where available.
- If the firing pin is damaged or no longer usable, ensure it is disposed of in a manner that prevents injury to others.

## **Contact Information for Further Support**

For any questions regarding safety or product use, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for additional resources.

This safety instruction guide is designed to help you use the 1911 FIRING PIN EGW FIRING PIN safely and effectively. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
