

1911 HEAVY DUTY THUMB SAFETY - EGW HD THUMB SAFETY, STAINLESS

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

Oversized Thumb Pad For Fast, Positive Contact

Extended thumb safety is precision machined from solid steel barstock using a state-of-the-art, four-axis CNC cutting station to ensure outstanding strength and durability. The deeply grooved, oversized pad is ergonomically shaped to ensure natural, comfortable thumb contact and provide maximum leverage for quick, positive safety engagement and disengagement under stressful conditions. Edges are beveled or rounded to prevent abrading of the finger or snagging on clothing during the draw from concealment.

Safety Instruction Guide for 1911 Heavy Duty Thumb Safety

Introduction

Thank you for choosing the 1911 Heavy Duty Thumb Safety by EGW. This product is designed to enhance the safety and functionality of your firearm. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure that the thumb safety is fully engaged when the firearm is not in use.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and accessories in a secure location away from children and unauthorized users.
- Regularly inspect the thumb safety for wear and damage.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that your thumb safety is compatible with your firearm model (Government, Commander, Officers).
- Do not attempt to modify the thumb safety without proper knowledge and tools.
- Avoid using excessive force when engaging or disengaging the thumb safety.
- If the thumb safety does not operate smoothly, cease use immediately and consult a qualified gunsmith.
- Be cautious of clothing or other items that may interfere with the thumb safety operation.

Instructions for Installation and Usage

1. Installation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing thumb safety from the firearm using appropriate tools.
- Align the new thumb safety with the safety lever slot.
- Carefully insert the new thumb safety and secure it in place, ensuring it operates smoothly.
- Perform a function check to ensure the thumb safety engages and disengages properly.

2. Usage

- To engage the thumb safety, press down on the thumb pad until it clicks into place.
- To disengage the thumb safety, lift the thumb pad upwards with your thumb.
- Always check that the thumb safety is engaged when not in use and disengaged when you are ready to fire.

Disposal Instructions

- Dispose of the thumb safety in accordance with local regulations.
- Do not dispose of the thumb safety in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety concerns or product information, please refer to the contact details provided by the manufacturer or your retailer. Always ensure you have the latest updates and safety information.

By following these guidelines, you can help ensure your safety and the safety of others while using the 1911 Heavy Duty Thumb Safety. Thank you for your attention to these important safety instructions.
