1911 Grip Screw Bushings Safety Instruction Guide

Introduction

Thank you for choosing the 1911 Grip Screw Bushings. This guide provides important safety information to ensure a secure and safe installation. Please read this guide carefully before using the product to understand how to use it safely and effectively.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of this product by following all instructions and guidelines.
- **Enhanced Recalls:** Be aware that in case of any safety issues, standardized recall notices will be provided.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken by those who may be vulnerable, such as inexperienced users.
- **EU Contact Point:** For safety inquiries, look for an EU-based contact point provided by the retailer.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the grip bushings are compatible with your 1911 model (Government, Commander, Officers).
- Inspect the bushings for any visible damage or defects before installation.
- Use proper tools when installing the grip bushings to avoid injury or damage.
- Keep the product out of reach of children and pets.
- If you experience any issues during installation or use, stop immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver and any other required equipment.
- Ensure that your workspace is clean and free of distractions.

2. Installation:

- Remove the existing grip screws and grips from your 1911.
- Take the new grip bushings from the package.
- Align the bushings with the holes in the frame of the 1911.
- Gently screw the bushings into place, ensuring they are secure but not overly tightened to avoid stripping the threads.
- Reattach the grips using the grip screws, ensuring everything is aligned properly.

3. Usage:

- Once installed, ensure that the grips are secure before using the firearm.
- Regularly check the bushings for any signs of wear or loosening, especially after extensive use.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the bushings are damaged or no longer usable, dispose of them in accordance with local waste

management regulations.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Grip Screw Bushings, please refer to the retailer from whom you purchased the product for assistance.

Thank you for your attention to these safety instructions. Your safety is important, and following these guidelines will help ensure a safe and effective experience with your 1911 Grip Screw Bushings.
