

# REMINGTON 700, 722, 40X LONG ACTION HD SCOPE BASES - REM 700, 722, 40X LONG ACTION 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Remington 700, 722, 40x Long Action Heavy Duty Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Heavy Duty mounts are .100" lower than the Lightweight mounts to minimize weight and keep your optic closer to the barrel centerline for improved accuracy. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid extruded 7075 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite.

## Attributes

- Name: [REM 700, 722, 40X LONG ACTION 20 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000147

# Safety Instruction Guide for REMINGTON 700, 722, 40X LONG ACTION HD SCOPE BASES

## Introduction

Thank you for choosing the EGW Remington 700, 722, 40X Long Action Heavy Duty Scope Bases. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read through this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in compliance with all relevant national and local laws.
- Always handle firearms and accessories with care. Treat every firearm as if it is loaded.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope bases for signs of wear or damage. If any issues are found, discontinue use immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the scope bases with compatible Remington models: 700, 722, and 40X Long Action.
- Ensure that the scope rings used are compatible with Picatinny or Weaver specifications.
- Always follow the manufacturer's torque recommendations when installing the scope bases. EGW recommends 20 inch lbs of torque with a drop of blue loctite.
- Avoid overtightening the screws as this may damage the scope bases or the firearm.
- Do not modify the scope bases in any way, as this may compromise safety and functionality.
- Use the scope bases only for their intended purpose – mounting scopes securely to the firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a Torx® wrench.
- Ensure that the firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps

- Locate the factory scope mount holes on the receiver of your firearm.
- Align the scope bases with the mount holes.
- Insert the socket head Torx® screws into the holes and handtighten them.
- Using the Torx® wrench, tighten the screws to the recommended torque of 20 inch lbs. Ensure even pressure on all screws to maintain stability.
- Apply a drop of blue loctite to each screw to prevent loosening due to recoil.

### 3. Usage

- Once installed, mount your scope onto the Picatinny rail, ensuring it is securely attached.
- Adjust the scope as necessary for proper eye relief and alignment before use.
- Regularly check the tightness of the screws and the condition of the scope bases during routine firearm maintenance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety instructions. Proper handling and installation of your EGW Remington 700, 722, 40X Long Action Heavy Duty Scope Bases will enhance your shooting experience while ensuring safety.
