

REMINGTON 700, 722, 40X LONG ACTION HD SCOPE BASES - REM 700, 722, 40X LONG ACTION 30 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Remington 700, 722, 40x Long Action Heavy Duty Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Heavy Duty mounts are .100" lower than the Lightweight mounts to minimize weight and keep your optic closer to the barrel centerline for improved accuracy. Full-width cross-slots are gauged to MIL-STD 1913 specs to $\pm .002$ ". Machined from ultra-rigid extruded 7075 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite.

Safety Instruction Guide for REMINGTON 700, 722, 40X LONG ACTION HD SCOPE BASES

Introduction

Thank you for choosing the REMINGTON 700, 722, 40X LONG ACTION HD SCOPE BASES. This guide provides important safety instructions and information for the safe installation and use of your scope bases. Please read this guide carefully to ensure proper handling and to maximize your safety and the performance of your product.

General Safety Guidelines

- Always handle firearms and accessories responsibly and with care.
- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope bases for any signs of wear or damage before use.
- If you notice any defects or malfunctions, cease use immediately and consult a qualified gunsmith.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- Do not exceed the recommended torque specifications when installing the scope bases.
- Use only compatible Picatinny or Weaver scope rings to avoid compatibility issues.
- Ensure that the scope bases are securely attached to the firearm before use.
- Avoid placing excessive weight on the scope or bases that may lead to damage.
- Always check that the firearm is unloaded before installing or adjusting the scope bases.
- Use protective eyewear when shooting to safeguard against potential hazards.

Instructions for Installation and Usage

Installation Steps

1. **Prepare Your Workspace:** Ensure you have a clean, flat surface to work on. Gather all necessary tools, including a Torx® wrench.
2. **Check Your Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
3. **Align the Bases:** Position the scope bases over the factory scope mount holes on the receiver of your firearm.
4. **Insert Screws:** Use the provided socket head Torx® screws to secure the bases. Do not overtighten.
5. **Torque Specifications:** EGW recommends a torque setting of 20 inch lbs. Use a torque wrench to achieve this.
6. **Apply Loctite:** Apply a drop of blue Loctite to the screws to prevent loosening during use.
7. **Attach Scope:** Once the bases are securely installed, attach your scope using compatible rings.

Usage Guidelines

- After installation, check the alignment and secure fit of the scope.
- Adjust the eye relief according to your comfort and shooting style.
- Regularly check the tightness of the screws and the condition of the scope bases before each use.

Disposal Instructions

- Dispose of packaging materials in accordance with local regulations.

- If the scope bases are damaged beyond repair, dispose of them responsibly. Check with local waste management for guidance on disposal of metal materials.

Contact Information for Further Support

For any inquiries regarding the REMINGTON 700, 722, 40X LONG ACTION HD SCOPE BASES, please refer to the manufacturer's website or contact your local dealer for assistance.

Conclusion

By following the safety guidelines and instructions outlined in this guide, you can ensure the safe and effective use of your REMINGTON 700, 722, 40X LONG ACTION HD SCOPE BASES. Always prioritize safety and responsibility when handling firearms and accessories. Thank you for your attention and enjoy your shooting experience.
