

1911 BARREL LINK KIT - EGW #2 1911 AUTO BARREL LINK

[Handgun Parts](#) > [Barrel Parts](#) > [Barrel Link Parts](#) > [Barrel Links](#)

Stress-Proof Links To Fit Most Barrel/Frame Combinations

Set of six, stress-proof, hardened chrome-moly steel barrel links helps correct most barrel-to-frame fit and feeding problems on 1911 autos. Includes the following link sizes (measured center-to-center from barrel link pin hole to slide stop hole): factory standard #3 (.278"), as well as #0 (-.015"), #1 (-.010"), #2 (-.005"), #4 (+.005"), and #5 (+.010"). #0 is for Accurail-equipped guns with rails that have been moved down. #1-#5 also available separately.

Safety Instruction Guide for 1911 Barrel Link Kit EGW #2

Introduction

Thank you for choosing the 1911 Barrel Link Kit EGW #2. This product is designed to improve the fit and function of your 1911 auto by addressing barreltoframe fit and feeding issues. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle firearms and firearm accessories with care and in accordance with established safety practices.
- Ensure that the workspace is clean and free from distractions when installing or using the barrel link kit.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use of the barrel link kit may result in malfunctioning of the firearm, which could lead to injury or damage.
- **Avoiding Hazards:**
 - Ensure that the firearm is unloaded before beginning any installation.
 - Use the correct link size for your specific model to avoid misalignment.
 - Do not modify the barrel links beyond their intended use.
 - Always wear safety glasses when working on firearms to protect your eyes from debris.
- **AgeSpecific Warnings:** This product is intended for use by individuals who are legally permitted to own and modify firearms. Ensure that any users are knowledgeable about firearm safety.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a punch tool for removing the old barrel link, and a clean workspace.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps:

- Remove the slide from the frame, following the manufacturer's instructions.
- Remove the existing barrel link using the punch tool to drive out the pin.
- Select the appropriate barrel link size from the kit (refer to the measurements provided).
- Insert the new barrel link into the barrel link pin hole.
- Align the link with the slide stop hole and insert the pin to secure it.
- Reassemble the slide onto the frame and ensure everything is functioning correctly.

3. Usage:

- Test the firearm in a safe and controlled environment to ensure proper function after installation.
- Regularly check the barrel link for signs of wear and replace if necessary.

Disposal Instructions

- Dispose of any damaged or unusable barrel links in accordance with local regulations for metal waste.
- Do not dispose of any firearmrelated components in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Barrel Link Kit EGW #2, please reach out to your local authorized dealer or check the manufacturer's website for support resources.

Thank you for your attention to these safety guidelines. Your safety and the safe operation of your firearm are our top priorities.
