

# 1911 BEAVERTAIL GRIP SAFETY - EGW BEAVERTAIL GRIP SAFETY - BLUE

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

Beavertail grip safety machined from solid barstock is left slightly oversized at critical points to allow the gunsmith to achieve a true custom fit. Beavertail is wider than the frame so it can be fit to the frame instead of the frame to the beavertail, and helps you ensure a snug, rattle-free fit. Overall length is longer at the bottom and the angle is a match to fill the gap between the mainspring housing and the safety. Radius is .245" to fit frames that are pre-cut to .250". Pin hole is finish reamed to .158" to further improve fit and function. Large contact pad ensures positive engagement when the hand grasps the gun. .220 Radius grip safeties are made to fit Springfield and Caspian frames.

## Attributes

- Name: [EGW BEAVERTAIL GRIP SAFETY - BLUE](#)
- Manufacturer: [EGW](#)
- Product no.: 296000184

# Safety Instruction Guide for 1911 Beavertail Grip Safety

## Introduction

Thank you for choosing the 1911 Beavertail Grip Safety by EGW. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read carefully and keep this document for future reference.

## General Safety Guidelines

- Ensure that all safety measures are followed during the installation and use of the Beavertail grip safety.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Be aware of potential hazards associated with improper installation or use of the product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the grip safety for any signs of wear or damage.
- In case of any doubts or issues, consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Before installation, ensure the firearm is unloaded and the safety is engaged.
- Verify that the grip safety is compatible with your specific 1911 model (Government, Commander, Officers).
- Avoid modifications that could compromise the structural integrity of the grip safety.
- Do not attempt to use the firearm until the grip safety is properly installed and functioning correctly.
- In case of malfunction, cease use immediately and seek professional assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Gather necessary tools: screwdriver, reamer, and any other required tools for installation.
- Ensure a clean, welllit workspace free from distractions.

### 2. Installation

- Remove the existing grip safety from the firearm.
- Inspect the frame for any damage or foreign objects.
- Fit the Beavertail grip safety to the frame, ensuring it is wider than the frame for proper adjustment.
- The radius of .245" should match frames precut to .250".
- Ream the pin hole to .158" for optimal fit and function.
- Secure the grip safety in place using the appropriate pin.

### 3. PostInstallation Check

- Confirm that the grip safety engages properly when the firearm is held.
- Test the functionality of the grip safety by grasping the gun firmly and ensuring it operates without rattle.
- Perform a thorough safety check of the firearm before use.

### 4. Usage

- Always follow standard firearm safety practices.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the grip safety becomes damaged beyond repair, consult local regulations for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or assistance regarding the 1911 Beavertail Grip Safety, please refer to the manufacturer's website or contact your local dealer for support.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your 1911 Beavertail Grip Safety. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important instructions.
