

# 7-HOLE CHAMBER CHECKERS - EGW .223 REMINGTON 7-HOLE CARTRIDGE CHECKER

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Chamber Checkers help you avoid jams, misfires, feeding problems, and other malfunctions caused by out-of-spec ammo. Use with factory loaded ammunition as well as reloaded ammo prior to shooting to verify your ammunition is within SPEC. These 7-Hole checkers are machined from solid 6061 T6 aircraft grade aluminum and uses actual Clymer reamers to ensure the ammo matches your chamber. Measures minimum case diameter as well as maximum overall length. Anodized Matte Black.

# Safety Instruction Guide for 7HOLE CHAMBER CHECKERS EGW .223 REMINGTON

## Introduction

Thank you for choosing the 7HOLE CHAMBER CHECKERS EGW .223 REMINGTON. This product is designed to ensure the safety and reliability of your ammunition before use. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the 7HOLE CHAMBER CHECKERS by following all instructions. This product is designed for nonfood use and is compliant with EU safety regulations.
- **Enhanced Recalls:** Be aware that in the event of a product recall, standardized notices will be issued. Always check for updates regarding recalls.
- **Online Shopping Protections:** If you purchase this product online, you have the same safety protections as if you bought it in a physical store. Ensure that the platform complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children. Keep the product out of reach of children and ensure it is used only by responsible adults.
- **EU Contact Point:** For any safety inquiries, you should contact your local EU authority or consumer safety organization.
- **Rapid Alerts:** Stay informed about any safety updates or alerts regarding this product through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the specifications of the ammunition you are checking. Always verify that the ammunition is within the recommended specifications.
- **Inspect for Damage:** Before use, inspect the chamber checker for any signs of damage or wear. Do not use if damaged.
- **Proper Handling:** Handle the chamber checker with care. Avoid dropping or mishandling the product to prevent damage.
- **Use in Safe Environment:** Use the chamber checker in a safe environment, away from children and pets.
- **Follow Manufacturer Instructions:** Always follow the manufacturer's instructions for use and maintenance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the chamber checker is clean and free of debris.
- Gather the ammunition you wish to check.

### 2. Checking Ammunition:

- Insert the cartridge into the appropriate hole of the chamber checker.
- Ensure that the cartridge fits snugly without excessive force.
- Measure the minimum case diameter and maximum overall length as specified.

### 3. Verification:

- If the cartridge does not fit correctly, do not use it. Verify that the ammunition meets the specifications.
- Repeat the process for each cartridge you wish to check.

#### 4. PostUse Care:

- Clean the chamber checker after use to remove any residue.
- Store the chamber checker in a safe place, away from moisture and extreme temperatures.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the chamber checker in accordance with local regulations. Do not dispose of it in regular household waste if it is damaged.
- **Recycling:** If possible, recycle the aluminum material following local recycling guidelines.

## Contact Information for Further Support

For any questions or safety concerns regarding the 7HOLE CHAMBER CHECKERS EGW .223 REMINGTON, please reach out to your local consumer safety authority or the retailer from which you purchased the product.
