

1911 BEAVERTAIL GRIP SAFETY - EGW BEAVERTAIL SAFETY CS .220

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

Beavertail grip safety machined from solid barstock is left slightly oversized at critical points to allow the gunsmith to achieve a true custom fit. Beavertail is wider than the frame so it can be fit to the frame instead of the frame to the beavertail, and helps you ensure a snug, rattle-free fit. Overall length is longer at the bottom and the angle is a match to fill the gap between the mainspring housing and the safety. Radius is .245" to fit frames that are pre-cut to .250". Pin hole is finish reamed to .158" to further improve fit and function. Large contact pad ensures positive engagement when the hand grasps the gun. .220 Radius grip safeties are made to fit Springfield and Caspian frames.

Attributes

- Name: [EGW BEAVERTAIL SAFETY CS .220](#)
- Manufacturer: [EGW](#)
- Product no.: 296000200
- Mfr. No.: 10710

1911 Beavertail Grip Safety Safety Instruction Guide

Introduction

Thank you for choosing the 1911 Beavertail Grip Safety by EGW. This product is designed to enhance the safety and functionality of your firearm. Please read this safety instruction guide carefully to ensure proper use and installation, and to understand the safety precautions necessary for handling this product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm in a secure place, out of reach of children and unauthorized users.
- Ensure that you are familiar with the operation of your firearm and the specific safety features of the Beavertail Grip Safety.
- Always wear appropriate safety gear when handling firearms, including eye and ear protection.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The Beavertail Grip Safety is designed for use with 1911 Auto Series 70 firearms only.
- Gunsmith fitting is required for proper installation. Do not attempt to install the grip safety without professional assistance.
- Ensure that the grip safety is properly fitted to avoid any malfunction during use.
- Before using your firearm, always check that the grip safety is functioning correctly.
- Do not modify or alter the grip safety in any way, as this could compromise its effectiveness and your safety.
- Keep your hands dry and clean when handling the grip safety to ensure a secure grip.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials for installation.
- Ensure that your firearm is unloaded and safe to handle.

2. Installation Steps

- Remove the existing grip safety from your firearm according to the manufacturer's instructions.
- Position the Beavertail Grip Safety in place, ensuring that it is aligned with the frame of the firearm.
- Use a gunsmith to achieve a custom fit. The grip safety should be wider than the frame to ensure a snug, rattlefree fit.
- The radius should match the precut frame dimensions, specifically .245" for fitting purposes.
- Finish ream the pin hole to .158" to enhance fit and function.
- Once installed, check for proper engagement by grasping the grip safety firmly.

3. Usage

- When using your firearm, ensure that your grip is secure and that the grip safety is engaged.
- Practice safe handling techniques at all times while operating your firearm.

Disposal Instructions

- When disposing of the Beavertail Grip Safety, follow local regulations regarding the disposal of firearm parts.
- Ensure that all components are disposed of in a manner that prevents unauthorized access or use.

Contact Information for Further Support

For any inquiries regarding the safety and installation of the 1911 Beavertail Grip Safety, please refer to the manufacturer's contact information provided with your product.

By following these safety guidelines and instructions, you can ensure a safer experience while using your 1911 Beavertail Grip Safety. Thank you for prioritizing safety and responsible firearm handling.
