

7-HOLE CHAMBER CHECKERS - EGW .380 AUTO 7-HOLE CARTRIDGE CHECKER

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Chamber Checkers help you avoid jams, misfires, feeding problems, and other malfunctions caused by out-of-spec ammo. Use with factory loaded ammunition as well as reloaded ammo prior to shooting to verify your ammunition is within SPEC. These 7-Hole checkers are machined from solid 6061 T6 aircraft grade aluminum and uses actual Clymer reamers to ensure the ammo matches your chamber. Measures minimum case diameter as well as maximum overall length. Anodized Matte Black.

Safety Instruction Guide for 7Hole Chamber Checkers EGW .380 Auto

Introduction

Thank you for choosing the 7Hole Chamber Checkers EGW .380 Auto. This product is designed to help ensure safe and reliable operation of your ammunition. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always use the Chamber Checker in accordance with the manufacturer's instructions.
- Ensure that the product is used only with .380 Auto (ACP) ammunition.
- Keep the Chamber Checker out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- If you notice any defects or irregularities, discontinue use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- **Avoid Jams and Misfires:** Always verify that your ammunition is within specifications before use.
- **Use Properly:** Only use the Chamber Checker with factory loaded ammunition or properly reloaded ammo.
- **Verify Dimensions:** Ensure that the ammunition matches the minimum case diameter and maximum overall length as specified.
- **Anodized Finish:** Handle the product with care to avoid scratches or damage to the anodized matte black finish.
- **Avoid Ingestion:** Do not put the Chamber Checker in your mouth or allow it to come into contact with food or drink.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your workspace is clean and free from distractions.
- Gather your ammunition and the Chamber Checker.

2. Using the Chamber Checker:

- Insert the cartridge into one of the holes of the Chamber Checker.
- Check for a proper fit. The cartridge should fit snugly without excessive force.
- If the cartridge does not fit properly, it may be out of specification. Do not use this ammunition.

3. PostUse Care:

- After using the Chamber Checker, clean it with a soft cloth to remove any debris or residue.
- Store the Chamber Checker in a safe, dry place when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the Chamber Checker in regular household waste.
- If the product is damaged beyond repair, consider recycling the aluminum material if facilities are available.

Contact Information for Further Support

For safety inquiries or to report unsafe products, please contact your local regulatory authority or visit the EU Safety Gate platform for updates on recalls and safety information.

Thank you for your attention to these safety guidelines. Your safety is our priority.
