

RUGER® AMERICAN® LONG ACTION SCOPE BASES - EGW RUGER® AMERICAN LONG ACTION 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Ruger American Long Action Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

RUGER® AMERICAN® LONG ACTION SCOPE BASES

Safety Instruction Guide

Introduction

Thank you for choosing the EGW Ruger American Long Action Scope Bases. This product is designed to enhance the versatility of your shotgun by providing a onepiece Picatinny scope rail without the need for drilling or tapping. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that all safety precautions are followed during installation and use.
- Regularly inspect the scope bases for any signs of wear or damage.
- Always use the product as intended and in accordance with the manufacturer's instructions.
- Store the scope bases in a dry, cool place when not in use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure the firearm is unloaded before installation.
 - Use proper tools, including a socket head Torx® wrench, to avoid damaging the screws or the firearm.
- **Torque Specifications:**
 - Follow the recommended torque of 20 inch lbs when securing the scope bases.
 - Use a drip of blue Loctite to secure screws and prevent loosening during use.
- **Compatibility:**
 - Verify that the scope rings used are compatible with the Picatinny or Weaver specifications.
- **Weight Considerations:**
 - Be aware that lightweight tactical mounts are designed for weight reduction; ensure that they meet your specific needs for balance and stability.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a socket head Torx® wrench and blue Loctite.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Align the EGW Ruger American Long Action Scope Bases with the factory scope mount holes on the firearm's receiver.
- Insert the socket head Torx® screws into the holes and handtighten them first.
- Use the Torx® wrench to tighten the screws to the recommended torque of 20 inch lbs.
- Apply a drip of blue Loctite to each screw to secure them in place.

3. Scope Mounting:

- Attach the Picatinny or Weaver scope rings as per the manufacturer's instructions.
- Adjust the eye relief and position of the scope as needed for optimal viewing.

4. PostInstallation Checks:

- Inspect the installation to ensure all screws are tight and secure.
- Test the scope for stability and alignment before use.

Disposal Instructions

- Dispose of any packaging materials according to local regulations.
- If the product becomes damaged or unusable, dispose of it in accordance with local electronic waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact the designated EUbased contact point or refer to the appropriate local authorities.

By following these safety instructions, you can ensure the safe and effective use of your EGW Ruger American Long Action Scope Bases. Thank you for your attention to these important guidelines.
