

7-HOLE CHAMBER CHECKERS - EGW .300 BLACKOUT 7-HOLE CARTRIDGE CHECKER

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Chamber Checkers help you avoid jams, misfires, feeding problems, and other malfunctions caused by out-of-spec ammo. Use with factory loaded ammunition as well as reloaded ammo prior to shooting to verify your ammunition is within SPEC. These 7-Hole checkers are machined from solid 6061 T6 aircraft grade aluminum and uses actual Clymer reamers to ensure the ammo matches your chamber. Measures minimum case diameter as well as maximum overall length. Anodized Matte Black.

Safety Instruction Guide for 7HOLE CHAMBER CHECKERS EGW .300 BLACKOUT

Introduction

Thank you for choosing the 7HOLE CHAMBER CHECKERS EGW .300 BLACKOUT. This product is designed to help you verify that your ammunition is within specification, thus enhancing safety and performance. Please read this safety instruction guide carefully to ensure safe usage and compliance with regulations.

General Safety Guidelines

- Always handle ammunition and firearms with care.
- Ensure that the Chamber Checker is used in a safe environment, away from distractions.
- Keep the Chamber Checker out of reach of children and vulnerable individuals.
- Regularly inspect the Chamber Checker for any signs of wear or damage before use.
- Always follow the manufacturer's instructions and recommendations.

Specific Safety Precautions for Use

- Use only with .300 AAC Blackout ammunition.
- Do not use the Chamber Checker with damaged or deformed cartridges.
- Verify that the Chamber Checker is clean and free from debris before use.
- Do not force ammunition into the Chamber Checker; if it does not fit easily, do not use it.
- Always wear safety glasses when handling ammunition and firearms.

Instructions for Installation and Usage

1. Inspection Before Use

- Check the Chamber Checker for any visible damage.
- Clean the Chamber Checker if necessary.

2. Using the Chamber Checker

- Insert the cartridge into one of the 7 holes of the Chamber Checker.
- Ensure that the cartridge fits snugly without excessive force.
- Verify that the minimum case diameter and maximum overall length are within specification.

3. PostUse Care

- Remove the cartridge from the Chamber Checker after verification.
- Store the Chamber Checker in a safe, dry location when not in use.

Disposal Instructions

- Dispose of the Chamber Checker in accordance with local regulations.
- If the Chamber Checker is damaged beyond repair, consider recycling the aluminum material where possible.

Contact Information for Further Support

For any inquiries or concerns regarding the use of this product, please reach out to the manufacturer or your point of purchase for assistance.

By following these guidelines, you can help ensure a safe and effective experience with the 7HOLE CHAMBER CHECKERS EGW .300 BLACKOUT. Thank you for prioritizing safety.
