

# TIKKA T3 LIGHTWEIGHT SCOPE BASES - EGW TIKKA T3 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Tikka T3 Scope Bases. Add the versatility of a one-piece Picatinny scope rail with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

## Attributes

- Name: [EGW TIKKA T3 20 MOA](#)
- Manufacturer: [EGW](#)

# Safety Instruction Guide for TIKKA T3 Lightweight Scope Bases

## Introduction

Thank you for choosing the EGW Tikka T3 Lightweight Scope Bases. This guide provides essential safety instructions, installation guidelines, and best practices to ensure safe and effective use of your product. Please read this manual thoroughly before using the scope bases.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope bases for wear or damage. Do not use if any parts are damaged.
- In case of any doubts regarding the product's safety, consult a qualified gunsmith or firearms expert.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the scope bases.
- Use appropriate tools when installing the scope bases to avoid damaging the firearm or the product.
- Follow the recommended torque specifications (20 inch lbs) when securing the scope bases to prevent overtightening.
- Use a drop of blue Loctite on screws during installation to ensure they remain secure.
- Be cautious of sharp edges on the scope bases during handling.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a socket head Torx® wrench.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps:

- Locate the factory scope mount holes on the receiver of the Tikka T3.
- Align the EGW Tikka T3 scope bases with the mount holes.
- Insert the socket head Torx® screws into the holes and handtighten them initially.
- Using the Torx® wrench, tighten the screws to the recommended torque of 20 inch lbs.
- Apply a drop of blue Loctite to each screw for added security.

### 3. Adjusting the Scope:

- Once the scope bases are securely installed, mount your scope using either Picatinny or Weaver scope rings.
- Adjust the eye relief and position of the scope as needed for optimal viewing.
- Ensure all mounting hardware is tightened according to manufacturer specifications.

### 4. PostInstallation Check:

- Inspect the installation to ensure all screws are tight and the scope is securely mounted.
- Perform a function check to ensure the firearm operates correctly with the new scope bases.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the scope bases are damaged beyond repair, consult local guidelines for the disposal of aluminum materials.

## **Contact Information for Further Support**

For any inquiries or support regarding the TIKKA T3 Lightweight Scope Bases, please contact the manufacturer or consult your retailer. Ensure to have your product details available for efficient assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your TIKKA T3 Lightweight Scope Bases. Thank you for your attention to safety and proper use.
