

# MOSSBERG 100 ATR/4X4 LONG ACTION SCOPE BASES - EGW

## MOSSBERG 100 ATR/4X4 LONG ACTION 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Mossberg ATR/4X4 Long Action Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

### Attributes

- Name: [EGW MOSSBERG 100 ATR/4X4 LONG ACTION 0 MOA](#)

# MOSSBERG 100 ATR/4X4 LONG ACTION SCOPE BASES Safety Instruction Guide

## Introduction

Thank you for choosing the MOSSBERG 100 ATR/4X4 Long Action Scope Bases by EGW. This guide provides essential safety instructions to ensure the safe use and installation of your scope bases. Please read this manual carefully before use to maximize safety and performance.

## General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope bases for any signs of damage or wear.
- Do not use the product if it appears damaged or does not fit properly.
- Follow all local laws and regulations regarding firearm accessories.
- If you have any doubts about installation or usage, consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installation.
- Use protective eyewear when installing or adjusting the scope bases.
- Avoid overtightening screws during installation to prevent damage.
- Use only recommended torque settings (20 inch lbs) when securing the bases.
- Apply a drip of blue Loctite to screws for added security.
- Only use Picatinny or Weaver scope rings compatible with the rail.
- Do not modify the scope bases or firearm in any way that may compromise safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools including a Torx® wrench and blue Loctite.
- Ensure the workspace is clean and welllit.

### 2. Installation Steps:

- Ensure the firearm is completely unloaded.
- Remove any existing scope mounts from the firearm's receiver.
- Align the EGW Mossberg ATR/4X4 Long Action Scope Bases with the factory scope mount holes on the receiver.
- Insert the socket head Torx® screws into the holes of the scope bases.
- Tighten the screws gradually and evenly to the recommended torque of 20 inch lbs.
- Apply a small amount of blue Loctite to each screw to prevent loosening.
- Allow the Loctite to cure as per the manufacturer's instructions.

### 3. Using the Scope Bases:

- Attach your Picatinny or Weaver scope rings to the installed scope bases.
- Adjust the eye relief and position of the scope as needed.
- Securely tighten the scope ring screws according to the manufacturer's specifications.

#### **4. PostInstallation Check:**

- Perform a visual inspection to ensure all screws are tight and secure.
- Test the scope alignment and functionality before taking the firearm to the range.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product becomes damaged beyond repair, dispose of it responsibly, ensuring it does not pose a risk to the environment.
- For electronic components, follow local electronic waste disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the MOSSBERG 100 ATR/4X4 Long Action Scope Bases, please refer to the manufacturer's contact points or consult a qualified professional. Always ensure safety is your top priority when using firearm accessories.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your MOSSBERG 100 ATR/4X4 Long Action Scope Bases.
