

MARLIN 39 SCOPE BASES - EGW MARLIN 39 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Marlin 39 Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to $\pm .002$ ". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

Safety Instructions for EGW Marlin 39 Scope Bases

Introduction

Thank you for choosing the EGW Marlin 39 Scope Bases. This product is designed to enhance the versatility of your firearm by allowing the attachment of a scope without the need for drilling or tapping. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is suitable for your firearm model before installation.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Inspect the scope bases for any damage before installation. Do not use damaged components.
- Store the product in a cool, dry place away from direct sunlight when not in use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the scope bases.
- Use caution when tightening screws to avoid overtorquing, which may damage the scope or firearm.
- Ensure that all screws are securely fastened before using the firearm.
- Regularly check the scope bases for wear and tear, especially after extensive use.
- Avoid using the firearm with the scope bases installed if you notice any unusual movement or instability.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and in a safe condition.
- Gather necessary tools: a socket head Torx® wrench and blue Loctite.

2. Installation

- Align the EGW Marlin 39 Scope Bases with the factory scope mount holes on the receiver.
- Insert the provided socket head Torx® screws into the mounting holes.
- Tighten the screws to a torque of 20 inch lbs, applying a drop of blue Loctite to each screw to secure them in place.
- Ensure that the bases are level and secure before proceeding.

3. Usage

- Attach your scope to the Picatinny rail, ensuring it is appropriately positioned for your eye relief.
- Regularly check the tightness of the scope rings and bases during use.
- If adjustments are needed, ensure the firearm is unloaded before making any changes.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product is no longer needed, please dispose of it in accordance with local regulations for aluminum and metal waste.

Contact Information for Further Support

For any inquiries or additional support regarding the EGW Marlin 39 Scope Bases, please consult the manufacturer's website or reach out to the retailer from whom you purchased the product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your EGW Marlin 39 Scope Bases. Thank you for your attention to these important guidelines.
