

# 7-HOLE CHAMBER CHECKERS - EGW 9MM LUGER 7-HOLE CARTRIDGE CHECKER

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Chamber Checkers help you avoid jams, misfires, feeding problems, and other malfunctions caused by out-of-spec ammo. Use with factory loaded ammunition as well as reloaded ammo prior to shooting to verify your ammunition is within SPEC. These 7-Hole checkers are machined from solid 6061 T6 aircraft grade aluminum and uses actual Clymer reamers to ensure the ammo matches your chamber. Measures minimum case diameter as well as maximum overall length. Anodized Matte Black.

# Safety Instruction Guide for 7Hole Chamber Checkers EGW 9mm Luger

## Introduction

Thank you for choosing the 7Hole Chamber Checkers EGW 9mm Luger. This product is designed to help you verify the specifications of your ammunition, ensuring safe and reliable firearm operation. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that all users of this product are familiar with basic firearm safety rules.
- Always handle ammunition and firearms in a safe and responsible manner.
- Use this product only for its intended purpose, which is to check the specifications of 9mm Luger ammunition.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always verify that the firearm is unloaded before using the chamber checker.
- Do not use the chamber checker with ammunition that shows signs of damage or corrosion.
- Avoid using the chamber checker in wet or humid environments to prevent corrosion.
- Do not force the ammunition into the chamber checker; if it does not fit, do not use it.
- Ensure that you are using the chamber checker in a welllit area to avoid misreading specifications.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather your factory loaded or reloaded 9mm Luger ammunition.

### 2. Using the Chamber Checker:

- Take the 7Hole Chamber Checker and hold it securely.
- Insert the cartridge into one of the holes of the chamber checker.
- Check for proper fit:
  - The cartridge should fit snugly without excessive force.
  - If the cartridge does not fit, it may be out of specification.

### 3. Measuring Specifications:

- The chamber checker measures minimum case diameter and maximum overall length.
- Ensure that your ammunition adheres to these specifications for safe use.

### 4. After Use:

- Remove all cartridges from the chamber checker.
- Clean the chamber checker with a dry cloth to remove any residue or dirt.
- Store the chamber checker in a dry place, away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any inquiries related to this product, please reach out to your local distributor or manufacturer's representative. They will be able to assist you with any safety concerns or product-related questions.

By following these guidelines, you can help ensure a safe and effective experience with your 7Hole Chamber Checkers EGW 9mm Luger. Thank you for prioritizing safety in your shooting activities.
