

TACTICAL SCOPE RINGS - EGW 30MM TACTICAL RINGS .850 HIGH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Machined As A Matched, Serial-Numbered Pair For Precise Alignment

Heavy duty Picatinny rings are precision machined from solid aluminum billet as matched pairs to aid in obtaining the best possible alignment. Each pair is clamped together and the center holes bored to 30mm to tolerances of +/- .0014", then engraved with matching serial number. In addition, the lower halves are marked to prevent separation from their matched ring caps. All edges are beveled or radiused, including both sides of the steel ring nut, to minimize potential for snagging on other gear. Surfaces are blasted to ensure an even, matte finish, then hard anodized with a durable black finish for added strength and wear resistance. Crossbolt and nut are machined from chrome-moly steel, heat treated for exceptional strength, and blued. Steel, Torx® screws, four per ring, have matching finish. Separately available, precision-machined polymer inserts allow use of these rings with 1" diameter scope tubes.

Attributes

- Name: [EGW 30MM TACTICAL RINGS .850 HIGH](#)
- Manufacturer: [EGW](#)
- Product no.: 296000261
- Mfr. No.: 61100
- Finish: -
- Height: High
- Scope Tube Diameter: -
- Size: -
- Style: -
- Delivery weight: 0.132kg
- UPC: 841370107452

Safety Instruction Guide for TACTICAL SCOPE RINGS EGW 30MM TACTICAL RINGS .850 HIGH

Introduction

Thank you for choosing the TACTICAL SCOPE RINGS EGW 30MM TACTICAL RINGS .850 HIGH. These highquality scope rings are designed for optimal performance and safety. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product documentation.
- Regularly inspect the scope rings for any signs of wear or damage before each use.
- Do not attempt to modify or alter the product in any way, as this may compromise safety and performance.
- Keep the product out of reach of children and vulnerable individuals who may not understand its use.
- Always follow local regulations and guidelines when using this product.

Specific Safety Precautions for Use

- Always ensure that the scope rings are securely mounted before using your firearm or equipment.
- Avoid overtightening the screws, as this may damage the scope or the rings.
- Use only the recommended tools for installation and maintenance, specifically Torx® screws.
- If you notice any unusual movement or looseness during use, stop using the product immediately and inspect it.
- Do not use the scope rings with incompatible scope tubes; ensure compatibility with 30mm O.D. tubes.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools: a Torx® screwdriver and any other required equipment.
- Ensure that the mounting surface is clean and free from debris.

2. Installation:

- Align the scope rings on the Picatinny base.
- Insert the crossbolts into the mounting holes and handtighten them to hold the rings in place.
- Using the Torx® screwdriver, tighten the screws evenly and securely, but do not overtighten.

3. Mounting the Scope:

- Place the scope into the rings and adjust its position for optimal eye relief and alignment.
- Once positioned, securely tighten the ring caps over the scope.
- Doublecheck all screws and bolts to ensure they are tightened properly.

4. Final Inspection:

- Inspect the installation to confirm that the scope is stable and does not move when adjusted.
- Perform a function check to ensure that the scope is properly aligned and secured.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and electronic waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, recycle it responsibly.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the TACTICAL SCOPE RINGS EGW 30MM TACTICAL RINGS .850 HIGH, please refer to the manufacturer's contact information provided with the product packaging.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your TACTICAL SCOPE RINGS EGW 30MM TACTICAL RINGS .850 HIGH. Always prioritize safety and proper usage to maximize the performance of your equipment. Thank you for your attention and enjoy your product!
