

7-HOLE CHAMBER CHECKERS - EGW 44 MAGNUM 7-HOLE CARTRIDGE CHECKER

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Chamber Checkers help you avoid jams, misfires, feeding problems, and other malfunctions caused by out-of-spec ammo. Use with factory loaded ammunition as well as reloaded ammo prior to shooting to verify your ammunition is within SPEC. These 7-Hole checkers are machined from solid 6061 T6 aircraft grade aluminum and uses actual Clymer reamers to ensure the ammo matches your chamber. Measures minimum case diameter as well as maximum overall length. Anodized Matte Black.

Safety Instruction Guide for 7HOLE CHAMBER CHECKERS EGW 44 MAGNUM

Introduction

Thank you for choosing the 7HOLE CHAMBER CHECKERS EGW 44 MAGNUM. This product is designed to help you avoid jams, misfires, and other malfunctions caused by outofspec ammunition. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle ammunition and firearms with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the chamber checker with factoryloaded ammunition or properly reloaded ammo.
- Verify that your ammunition is within specification (SPEC) before shooting.
- Do not attempt to modify or alter the chamber checker in any way.
- Ensure that the chamber checker is free from dirt and debris before use.
- Always wear appropriate eye and ear protection when handling firearms.

Instructions for Installation and Usage

1. Inspect the Chamber Checker:

- Check for any visible damage or wear.
- Ensure that it is clean and free from obstructions.

2. Using the Chamber Checker:

- Insert the chamber checker into the firearm's chamber.
- Ensure it fits snugly without excessive force.
- Verify the minimum case diameter and maximum overall length to ensure compatibility with your ammunition.

3. Verifying Ammunition:

- Place the ammunition in the chamber checker.
- Confirm that the ammunition fits properly without any resistance.
- If the ammunition does not fit, do not use it in your firearm.

4. PostUse Care:

- Remove the chamber checker from the firearm.
- Clean the chamber checker with a soft cloth to remove any residue.
- Store the chamber checker in a safe and dry place.

Disposal Instructions

- Dispose of the chamber checker in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of the 7HOLE CHAMBER CHECKERS EGW 44 MAGNUM, please refer to your local authorities or appropriate safety organizations.

Thank you for your attention to these safety guidelines. Your safety is our priority.
