

357 MAG/38 SPECIAL 50-HOLE CARTRIDGE CHECKER - EGW 357 MAGNUM/38 SPECIAL 50-HOLE CARTRIDGE CHECKER

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

EGW's 357 Magnum Chamber Checkers are machined from solid 6061 T6 aircraft grade aluminum. While some companies use boring bars to make chamber checkers, EGW uses the actual Clymer reamers that are used to chamber barrels. Anodized matte black for durability. Measures min case diameter. Measures max overall length.

Safety Instruction Guide for EGW 357 Magnum/38 Special 50Hole Cartridge Checker

Introduction

Thank you for choosing the EGW 357 Magnum/38 Special 50Hole Cartridge Checker. This product is designed to ensure the safe and accurate measurement of cartridge dimensions for your firearms. Please read this safety instruction guide carefully to ensure safe usage and compliance with the European Union General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all safety precautions are followed during the use of this product.
- Always handle the cartridge checker with clean hands to prevent contamination.
- Store the cartridge checker in a safe place away from children and unauthorized users.
- Regularly inspect the cartridge checker for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the cartridge checker only for its intended purpose: measuring cartridge dimensions for 357 Magnum and 38 Special cartridges.
- Do not use the cartridge checker with any other calibers or products.
- Avoid using excessive force when inserting cartridges into the checker to prevent damage.
- Ensure that the cartridge checker is used in a welllit area to facilitate accurate measurements.
- Always follow the manufacturer's instructions when using the cartridge checker.

Instructions for Installation and Usage

1. Preparation

- Ensure the cartridge checker is clean and free from debris.
- Gather the cartridges you wish to measure.

2. Using the Cartridge Checker

- Hold the cartridge checker securely in one hand.
- Insert the cartridge into the appropriate hole of the checker, ensuring it sits flush.
- Check the measurement against the specifications for 357 Magnum and 38 Special cartridges.
- Remove the cartridge carefully after measurement.

3. PostUse Care

- Clean the cartridge checker after use to maintain its condition.
- Store the cartridge checker in a dry and secure location.

Disposal Instructions

- Dispose of the cartridge checker in accordance with local regulations regarding aluminum products.
- Recycle the product if possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the use of the EGW 357 Magnum/38 Special 50Hole Cartridge Checker, please contact your local authorized dealer or the manufacturer directly for assistance.

Thank you for prioritizing safety while using the EGW 357 Magnum/38 Special 50Hole Cartridge Checker. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
