

# PICATINNY BASE STOCK - EGW 7075 ALUMINUM PICATINNY RAIL BLANK BLACK 16

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

## Build A Custom Base In Steel Or Aluminum; Pre-Cut Slots Speed The Job

Scope base stock is machined to MIL STD 1913 Picatinny dimensions for fabricating custom rifle or handgun optic bases. Pre-cut cross-slots speed the job and allow use of any Picatinny scope rings. Ideal for quickly building a versatile base for a gun with non-standard hole spacing, rather than drilling new holes in the receiver. Available in pre-hardened steel or aluminum, both with a matte black finish. Bottom of the base is flat, so it can be radius cut to fit any receiver contour.

## Attributes

- Name: [EGW 7075 ALUMINUM PICATINNY RAIL BLANK BLACK 16](#)
- Manufacturer: [EGW](#)
- Product no.: 296000274
- Mfr. No.: 89020
- Colour: Black
- Elevation: 0 MOA
- Make: -
- Material: Aluminum
- Number of Bases: 1-Piece
- Style: Picatinny Rail
- Delivery weight: 0.368kg
- Shipping height: 25mm
- Shipping width: 102mm
- Shipping length: 413mm
- UPC: 841370109692

# Safety Instruction Guide for PICATINNY BASE STOCK EGW 7075 ALUMINUM PICATINNY RAIL BLANK BLACK 16

## Introduction

Thank you for choosing the PICATINNY BASE STOCK EGW 7075 ALUMINUM PICATINNY RAIL BLANK BLACK 16. This product is designed for fabricating custom rifle or handgun optic bases. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this guide carefully before installation and use.

## General Safety Guidelines

- Always handle the product with care to avoid injury.
- Ensure that the product is suitable for your specific firearm before installation.
- Use protective eyewear and gloves when handling tools and during installation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear or damage. Do not use if damaged.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installation.
- Use only compatible Picatinny scope rings to avoid instability.
- Avoid overtightening screws during installation, as this can damage the base or firearm.
- Be aware of the mounting location on your firearm to prevent interference with operation.
- Do not modify the product beyond its intended use as specified in the instructions.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools including a torque wrench, appropriate screws, and compatible Picatinny scope rings.
- Ensure your workspace is clean and welllit.

### 2. Installation Steps:

- Confirm that your firearm is unloaded.
- Position the Picatinny base on the firearm's receiver, aligning it with existing holes.
- If necessary, use the precut crossslots to mark new drilling points for nonstandard hole spacing.
- Drill any new holes carefully, ensuring not to damage the receiver.
- Place the Picatinny base onto the receiver and insert screws into the aligned holes.
- Use a torque wrench to tighten screws to the manufacturer's recommended specifications.
- Attach your scope rings and optic securely to the Picatinny rail.

### 3. Usage:

- After installation, check that the scope is securely mounted before use.
- Regularly check the tightness of screws and the stability of the mounted optic during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of with general household waste.
- Recycle materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please contact the appropriate EUbased contact point for product safety.

Thank you for following these guidelines to ensure your safety and the optimal performance of the PICATINNY BASE STOCK EGW 7075 ALUMINUM PICATINNY RAIL BLANK BLACK 16.
