

# BROWNING X-BOLT SHORT ACTION HD SCOPE BASES - EGW

## BROWNING X-BOLT SHORT ACTION 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Browning X-Bolt Short Action Heavy Duty Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Heavy Duty mounts are .100" lower than the Lightweight mounts to minimize weight and keep your optic closer to the barrel centerline for improved accuracy. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid extruded 7075 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite.

### Attributes

# Safety Instruction Guide for BROWNING XBOLT SHORT ACTION HD SCOPE BASES

## Introduction

Thank you for choosing the EGW Browning XBolt Short Action Heavy Duty Scope Bases. This guide provides important safety information and instructions for the proper installation and use of your scope bases. Please read this guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or removing the scope bases.
- Use the scope bases only for their intended purpose: mounting a scope on a Browning XBolt Short Action rifle.
- Regularly inspect the scope bases for any signs of wear or damage before use.
- Ensure that all screws are tightened to the recommended torque specifications to prevent loosening during use.
- If you notice any unusual movement or instability while using the scope, discontinue use immediately and inspect the installation.
- Keep the product out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- Ensure proper eye protection is worn while using the firearm equipped with the scope bases.
- Do not exceed the recommended torque of 20 inch lbs when installing the scope bases.
- Use blue Loctite on screws to prevent loosening but avoid overapplication which may affect the screw's integrity.
- Familiarize yourself with the operation and handling of your firearm before using it with the scope bases.
- Avoid using damaged or worn scope rings or other mounting accessories.

## Instructions for Installation and Usage

### 1. Preparation

- Gather necessary tools: a socket head Torx® wrench and blue Loctite.
- Ensure your firearm is unloaded and in a safe working environment.

### 2. Installation Steps

- Locate the factory scope mount holes on the receiver of your Browning XBolt Short Action rifle.
- Align the EGW Browning XBolt Short Action Scope Bases with the mount holes.
- Insert the provided socket head Torx® screws into the alignment holes.
- Apply a small amount of blue Loctite to the threads of each screw.
- Tighten each screw to a torque of 20 inch lbs using the Torx® wrench. Ensure that the bases are secure and stable.

### 3. Using the Scope Bases

- Attach your Picatinny or Weaver scope rings to the installed scope bases.
- Follow the manufacturer's instructions for attaching your scope to the rings.
- Adjust the eye relief as needed for comfort and accuracy.

### 4. PostInstallation Check

- Inspect the installation to ensure all screws are tight and the scope is secure.
- Test the setup by aiming at a target to ensure proper alignment and stability.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding aluminum and metal waste.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For safety inquiries or additional support, please reach out to the appropriate contact point in your country. Ensure you have the product details available for reference.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your EGW Browning XBolt Short Action Heavy Duty Scope Bases. Always prioritize safety and proper handling when using firearms and related equipment. Thank you for your attention to these important guidelines.
