

# MAUSER 98 LARGE RING SCOPE BASES - EGW MAUSER 98 LARGE RING 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Mauser 98 Large Ring Scope Bases. Rifle bases precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

## Attributes

- Name: [EGW MAUSER 98 LARGE RING 0 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000325
- Mfr. No.: 47000
- Action Type: Bolt Action
- Colour: Black
- Elevation: 0 MOA
- Material: Aluminum
- Model: 98
- Model Number: Drilled
- Number of Bases: 1-Piece
- Style: Picatinny Rail
- Weapon type: Mauser
- Delivery weight: 0.086kg
- Shipping height: 25mm
- Shipping width: 89mm
- Shipping length: 229mm
- UPC: 841370106790

# MAUSER 98 Large Ring Scope Bases Safety Instructions

## Introduction

Thank you for choosing the MAUSER 98 Large Ring Scope Bases by EGW. This guide provides essential safety instructions to ensure the proper and safe use of your product. Please read all sections carefully before installation and usage.

## General Safety Guidelines

- Ensure that the scope bases are compatible with your rifle model.
- Inspect the product for any visible damage or defects before use.
- Store the scope bases in a dry and cool place to prevent corrosion.
- Keep out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions for mounting and usage.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use only Picatinny or Weaver scope rings with these bases.
- Avoid overtightening the screws during installation to prevent damage.
- Use a torque wrench set to 20 inch lbs for proper installation.
- Always apply a small amount of blue Loctite to the screws to ensure they remain secure.
- Do not exceed the recommended torque specification to avoid stripping the screw threads.
- Be cautious of sharp edges during installation and handling.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools: a torque wrench, a drip of blue Loctite, and a socket head Torx® wrench.
- Ensure that the rifle is unloaded and pointed in a safe direction.

### 2. Installation:

- Align the scope bases with the mounting holes on the rifle.
- Insert the screws into the bases and handtighten them first.
- Using the torque wrench, tighten the screws to a torque of 20 inch lbs.
- Apply a drip of blue Loctite to each screw before the final tightening.

### 3. Scope Mounting:

- Attach the scope rings to the installed bases according to the manufacturer's instructions.
- Ensure that the scope is positioned correctly for your eye relief.
- Tighten the scope ring screws securely but do not overtighten.

### 4. Post Installation Check:

- Doublecheck all screws to ensure they are tight.
- Inspect the alignment of the scope to ensure it is level.
- Test the setup by aiming at a target and checking for proper eye relief.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling the aluminum components where facilities are available.

## **Contact Information for Further Support**

For any questions regarding the product or safety concerns, please contact the manufacturer directly. Ensure that you have the product model and any relevant information ready for a more efficient response.

Thank you for following these safety guidelines. Enjoy your shooting experience with the MAUSER 98 Large Ring Scope Bases!
