

## REMINGTON 700, 722, 40X LONG ACTION SCOPE BASES - EGW

## REMINGTON 700, 722, 40X LONG ACTION 15 MOA SILVER

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Remington 700, 722, 40x Long Action Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

# Safety Instruction Guide for REMINGTON 700, 722, 40X LONG ACTION SCOPE BASES

## Introduction

Thank you for choosing the EGW Remington 700, 722, 40x Long Action Scope Bases. This guide provides important safety information and instructions to ensure the safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all safety protocols.
- Keep the scope bases and firearms out of reach of children and unauthorized users.
- Regularly inspect the scope bases for any signs of wear or damage before use.
- If you experience any issues or have concerns about the product, discontinue use and seek assistance.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that the firearm is unloaded and pointed in a safe direction during installation.
- Use appropriate tools to avoid damaging the scope bases or firearm.
- Follow the manufacturer's torque specifications to prevent overtightening.

### • Usage Precautions:

- Regularly check that the scope is securely mounted and that all screws are tightened to the recommended torque.
- Be aware of the environment in which you are using the firearm and scope bases, and adjust accordingly.
- Avoid using the firearm in adverse weather conditions that may affect the performance of the scope bases.

### • Maintenance Precautions:

- Clean the scope bases regularly to prevent buildup of dirt and debris.
- Store the firearm and scope bases in a dry, secure location when not in use.
- Inspect the scope bases periodically for any signs of damage or wear.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the firearm is unloaded.
- Gather the necessary tools, including a Torx wrench.
- Align the scope bases with the factory scope mount holes on the firearm's receiver.
- Insert the socket head Torx screws into the predrilled holes.
- Tighten the screws to the recommended torque of 20 inch lbs using a drip of blue loctite for added security.

### 2. Usage Steps:

- After installation, mount your Picatinny or Weaver scope rings onto the scope bases.
- Adjust the scope for optimal eye relief and alignment.
- Regularly check the mounting to ensure that it remains secure during use.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is damaged beyond repair, dispose of it responsibly to minimize environmental impact.
- Consider recycling any metal parts where applicable.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your purchase. Ensure that you have the product details available when seeking assistance.

This safety instruction guide is designed to ensure your safety and the effective use of the EGW Remington 700, 722, 40x Long Action Scope Bases. By following these guidelines, you can help ensure a safe and enjoyable experience with your product.
