

RUGER® AMERICAN® SHORT ACTION HD SCOPE BASES - EGW

RUGER AMERICAN SHORT ACTION 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Ruger American Short Action Heavy Duty Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Heavy Duty mounts are .100" lower than the Lightweight mounts to minimize weight and keep your optic closer to the barrel centerline for improved accuracy. Full-width cross-slots are gauged to MIL-STD 1913 specs to $\pm .002$ ". Machined from ultra-rigid extruded 7075 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite.

Safety Instruction Guide for RUGER® AMERICAN® SHORT ACTION HD SCOPE BASES

Introduction

Thank you for choosing the EGW Ruger American Short Action Heavy Duty Scope Bases. This guide provides essential safety instructions and usage guidelines to ensure safe and effective use of your product. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Ensure that the product is installed and used according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the scope bases for signs of wear or damage. Do not use if damaged.
- Use only compatible scope rings and accessories.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Always verify that your firearm is unloaded before installing or adjusting the scope bases.
- Use appropriate tools and follow the torque specifications provided to avoid overtightening.
- Be aware of the potential for sharp edges during installation; handle with care.
- Ensure that the scope is securely mounted before using the firearm.
- Avoid using the product in extreme weather conditions that may affect performance.

Instructions for Installation and Usage

1. Preparation

- Gather the required tools: a Torx® wrench and blue Loctite.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Locate the factory scope mount holes on your Ruger American Short Action receiver.
- Align the EGW scope bases with the mount holes.
- Insert the provided socket head Torx® screws into the holes.
- Use the Torx® wrench to tighten the screws to a torque of 20 inch lbs, applying a drip of blue Loctite to each screw to ensure stability.
- Doublecheck that the bases are securely attached and that there is no movement.

3. Usage

- Attach your Picatinny or Weaver scope rings to the installed scope bases.
- Mount your scope according to the manufacturer's instructions, ensuring proper eye relief and alignment.
- Once mounted, check the scope's position and make adjustments as necessary.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer in use, do not dispose of it in regular household waste. Instead, follow local electronic waste disposal guidelines or contact a local waste management facility for proper disposal.

Contact Information for Further Support

For any inquiries regarding safety or installation, please contact the manufacturer or refer to the product's official website for support resources. Ensure that you have the product model and relevant information ready for assistance.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your EGW Ruger American Short Action Heavy Duty Scope Bases. Always prioritize safety and proper handling when using firearm accessories. Thank you for your attention to these guidelines.
