

# TIKKA 695 SCOPE BASES - EGW TIKKA 695 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Tikka 695 Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to  $\pm .002$ ". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

## Attributes

- Name: [EGW TIKKA 695 20 MOA](#)

# TIKKA 695 Scope Bases Safety Instruction Guide

## Introduction

Thank you for choosing the EGW Tikka 695 Scope Bases. This guide provides important safety information and instructions for the safe use and installation of your new scope bases. Please read this guide thoroughly before using the product to ensure safe and effective operation.

## General Safety Guidelines

- Ensure that the product is suitable for your firearm model (Tikka 695).
- Always follow the manufacturer's instructions for installation and usage.
- Inspect the scope bases for any damage or defects before installation.
- Store the scope bases in a safe, dry place when not in use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Use only the provided socket head Torx® screws and wrench for installation.
  - Do not exceed the recommended torque of 20 inch lbs when securing the scope bases.
  - Use a drip of blue loctite on screws to prevent loosening during use.
- **Handling Precautions:**
  - Always handle the scope bases with care to avoid scratches or damage.
  - Do not modify the scope bases in any way, as this may compromise safety and performance.
- **Usage Precautions:**
  - Ensure that the scope is securely mounted before using the firearm.
  - Regularly check the scope bases and scope rings for tightness and stability.
  - Be aware of your surroundings and ensure that the firearm is pointed in a safe direction when adjusting the scope.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including the provided Torx® wrench and blue loctite.
- Ensure your firearm is unloaded and in a safe position.

### 2. Installation Steps:

- Locate the factory scope mount holes on the receiver of your Tikka 695.
- Align the EGW Tikka 695 Scope Bases with the mount holes.
- Insert the socket head Torx® screws into the holes and handtighten them.
- Use the Torx® wrench to secure the screws to a torque of 20 inch lbs.
- Apply a small drop of blue loctite to each screw to ensure they remain secure.

### 3. Scope Mounting:

- Attach your Picatinny or Weaver scope rings to the installed scope bases.
- Ensure that the scope is positioned at a comfortable eye relief for your shooting position.
- Tighten the scope ring screws according to the manufacturer's specifications.

#### **4. Final Check:**

- Inspect the installation to ensure that everything is secure and properly aligned.
- Perform a function check to confirm that the scope is stable and does not shift during use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the scope bases, check with local waste management services for proper disposal methods.
- Do not dispose of the product in fire, as it may release harmful substances.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation or safety of the EGW Tikka 695 Scope Bases, please refer to the manufacturer's official website or contact their support team for assistance.

By following these guidelines, you can ensure the safe and effective use of your EGW Tikka 695 Scope Bases. Thank you for your attention to safety and for choosing our product.
