

# TRADITIONS BREAK OPEN MUZZLELOADER SCOPE BASES - EGW

## TRADITIONS BREAK-OPEN MUZZLELOADER 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Traditions Break-Open Muzzleloader Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

# Safety Instruction Guide for EGW Traditions BreakOpen Muzzleloader Scope Bases

## Introduction

Thank you for choosing the EGW Traditions BreakOpen Muzzleloader Scope Bases. This product is designed to enhance your shooting experience by providing a stable platform for mounting your scope. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle firearms and related equipment with care.
- Ensure that the scope bases are compatible with your specific firearm model.
- Follow all local laws and regulations regarding firearms and accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope bases for signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the scope bases.
- Use only the recommended tools and hardware for installation.
- Do not exceed the recommended torque specifications (20 inch lbs) when mounting.
- Use a drop of blue loctite on screws to prevent loosening during use.
- Avoid using excessive force when adjusting or tightening the scope.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools: a socket head Torx® wrench and blue loctite.

#### 2. Aligning the Base:

- Position the EGW Traditions BreakOpen Muzzleloader Scope Base over the factory scope mount holes on the receiver.
- Ensure proper alignment with the holes for a secure fit.

#### 3. Securing the Base:

- Insert the provided socket head Torx® screws into the aligned holes.
- Tighten the screws gradually, applying a torque of 20 inch lbs.
- Apply a drop of blue loctite to each screw to ensure they remain secure.

#### 4. Mounting the Scope:

- Attach your Picatinny or Weaver scope rings to the mounted base.
- Follow the scope manufacturer's instructions for proper mounting.

## **Usage Guidelines**

- After installation, check the alignment of the scope and ensure it is securely mounted.
- Adjust the eye relief as needed for comfort and optimal viewing.
- Regularly check the tightness of the screws and the stability of the mounted scope during use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product is no longer in use, ensure it is disposed of in a safe manner to prevent accidents.
- Consider returning the product to the manufacturer or a local waste facility that handles hazardous materials if applicable.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the EGW Traditions BreakOpen Muzzleloader Scope Bases, please contact your local dealer or manufacturer. Always ensure that you have access to support when using firearm accessories.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and usage of all firearmrelated products.
